At this critical period in our history our manufacturers are offering their mills and our young men are offering their services to the United States government. Would you like to do your share and help, by putting your money where it will support the new Federal Reserve Banking System, which the government has established to stand back of our commerce, industry and agriculture?

You can do this by opening an account with us as part of every dollar so deposited goes directly into the new system, where it will always be ready for you when wanted.

MAZOLA

THE Food Administration's plans for saving butter, lard and suet—the housewife's desire to get the most and the best out of every dollar—these are the main reasons for using Mazola, the pure and wholesome vegetable oil.

Mazola makes fried food deliciously crisp and easy to digest—free from greasiness or sogginess.

And it is so much more economical than butter, lard or compounds as it can be used over and over again—does not transmit taste or odor from one food to another.

You can be sure of the purity of Mazola since it comes from an edible source—golden American corn.

Use Mazola for deep frying, sautéing or shortening and you will find that foods retain all of their natural flavor.

And if you want an especially delicious French dressing or mayonnaise, make it with Mazola.

Get Mazola from your grocer in pint, quart, half-gallon or gallon tins. The large sizes give greatest economy. Also ask for the free Mazola Book of Recipes or write us direct.

Your money refunded if Mazola does not give entire satisfaction.
