Is Your Money Supporting the Government?

At this critical period in our history our manufacturers are offering their mills and our young men are offering their services to the United States government. Would you like to do your share and help, by putting your money where it will support the new Federal Reserve Banking System, which the government has established to stand back of our commerce, industry and agriculture?

You can do this by opening an account with us as part of every dollar so deposited goes directly into the new system, where it will always be ready for you when wanted.

Save butter, lard, suet. Have better food at less cost. Use

MAZOLA

Since Mazola is a vegetable oil it enables you to save butter, lard and suet in deep frying, sautéing, shortening as requested by Mr. Hoover.

And since it is pressed from golden American corn, you can be sure of its purity.

It is more economical than the old cooking mediums because it can be used over and over again—does not transmit taste or odor from one food to another.

Get Mazola from your grocer in pint, quart, half-gallon or gallon tins—the large sizes are the most economical. Also ask for the free Mazola Book of Recipes, or write us direct.

Your money refunded if Mazola does not give entire satisfaction.
