Important Notice

To The Public:—
 We are in receipt of advice from wholesale houses calling our attention to changes in the terms of credit which will be effective June 1st, 1918.
 We are advised that war conditions have so effected the cost and production of merchandise that it is no longer possible for wholesale houses to get the usual credit from manufacturers, therefore they have found it necessary to shorten their terms of credit to the retail merchant to ten, fifteen and thirty days time, owing to the class of merchandise purchased.
 The same letter informs us "The Government has requested everyone to eliminate all long time credits and to get down as far as possible to a cash, or not to exceed a 30 day settlement basis."
 This radical change in the terms of credit, brought on by conditions over which we have no control and for which we are not responsible, have lessened our ability to carry accounts in the future as we have in the past, therefore we find it necessary to shorten our terms of credit to conform with the terms given us by those from whom we buy our merchandise.
 Commencing June 1st, 1918, our terms will be 30 days only on charge accounts. All merchandise accounts contracted for during the month of June will be due and payable July 1st, and all merchandise accounts contracted for each month thereafter will be due and payable on the first of each month following.
 Wholesale houses will not deviate from the terms they have specified and demand that we adhere to them strictly. This, in turn, compels us to adopt the same policy, and we assure you that your co-operation in the matter will not only be appreciated by retail dealers, but will also be appreciated by the United States Government.

Yours Respectfully,

GOVERNOR REVOKED PAROLE

William and V. M. Robertson, who were sent to the penitentiary in May, 1913, for horse stealing and paroled by the Governor, were accused of horse stealing again, and their parole has been revoked.
 William Robertson was arrested on the high desert last week by Sheriff Knox and Willard Wirtz. V. M. Robertson has not been apprehended yet but it is thought that he is somewhere in Sherman county. They were sent up for from 1 to 10 years and had only served one.

POWELL BUTTE DOES MUCH TO WIN WAR

POWELL BUTTE NEWS
 (By our Regular Correspondent)

Mrs. Van Doren was a visitor in Prineville last week on business for the Powell Butte Red Cross.
 Wallace Smith and family motored over to the Ochoce to look after their land in that section, Saturday.
 E. A. Bussett and Miss Fay Bussett were business visitors to the county seat last week.
 Mrs. E. A. Bussett has been quite ill the past week with la grippe.
 A large number of ladies are knitting for the Red Cross and many new ones have asked for yarn and are anxious to knit socks. Among them are the following: Mrs. Geo. Shobert, Mrs. Skeen, Mrs. Martha Foster, Mrs. Pauls, Mrs. Frank Rice, Mrs. Frank Kissler, Mrs. Carl Lindquist, Grandma Spray and others.
 The Community Association will give another of their popular dances on Friday night of this week. The Red Cross will sell two turkeys at that time also.
 Mrs. E. H. Stewart will leave Saturday for a visit with Hood River friends. She will be away about two weeks.
 Mrs. Pat Angland and children visited Mrs. C. M. Charlton on Sunday last.
 Miss Jessie Hartley closed a very successful term of school at the new school house at Powell Butte, recently. Miss Hartley has done a fine work with the pupils in the regular routine of school work and has found time to do a large amount

of work in the way of entertainments to raise money besides. She had one social netting the school \$80.00 with which they purchased some new school furniture and a new picture, raising the school to the standard. She also turned in to the Crook County Red Cross Chapter \$50.00 from another social. Besides all this her school has sold \$453 worth of War Savings Stamps. We are informed further that this was the only rural school in Crook county doing Junior Red Cross work, they having turned in 2000 gun wifes that the children have cut on Friday afternoons. Such teachers as Miss Hartley are worth far more to a school district than she is paid in dollars and cents.
