CITY OFFICIAL PAPER FOR CITY OF PRINEVILLE

VOL. XXII

PRINEVILLE, CROOK COUNTY, OREGON, JUNE 6, 1918

NO. 30

EVERY RESIDENCE MUST PROVIDE MAIL BOX

CIGAR BOX OR OTHER DEVICE WILL BE SUFFICIENT

STREET SIGNS BEING PREPARED

Service Will Start Promptly June 16 If You Do Your Part Now

Every residence must have some mail receptacle, a cigar box, or any small box of that kind, erected on the front porch or in some convenient place, before mail will be delivered to the occupants, and this should be attended to by or before Saturday of this week so that the matter can be reported to the department by Postmaster Boone.

A slot in the door that mail can be dropped through will be sufficient for the requirements of Uncle Sam, but mail will not be left unless some provision is made for it, and there will be no service established until the people make these provisions in sufficient numbers so that the postmaster can report it to the department.

Street signs are being prepared, and will be in place in ample time for the service to start.

This is a small matter, will take but a few minutes' time, but is very important. Attend to it today, sure.

ALIEN FEMALES MUST REGISTER JUNE 17-26

Rules for the registration are as follows: Persons required to register—All natives, citizens, denizens or subjects of the German empire or of the imperial German government, being females of the age of 14 and upwards, now within the United States and not actually naturalized as American citizens, are required to register as German alien females. Persons required to register should understand by so doing they are giving proof of their peaceful dispositions and their intentions to conform to the laws of the United States.

For particulars see the postmaster.

MEMORIAL DAY BRINGS CROWD TO PRINEVILLE

Very impressive exercises were held in Prineville, May 30, in memory of our departed heroes who have given their lives in defense of our country. It is needless to say that this Memorial Day meant more to every true American than any other in the history of the United States, because of the present world war in which our boys are making such great sacrifices.

A parade was held in the afternoon which was led by the Spanish American War Veterans and other veterans of former wars, then the drafted boys and High School cadets in uniform, Knights of Pythias led by Captain J. H. Rosenberg, followed by citizens and about 175 automobiles.

After a short program at the Ochoco bridge, where flowers were strewn on the waters in memory of the departed naval heroes, the procession proceeded to the cemetery.

The opening address was given by J. H. Upton, who in very strong and forceful language told of his memories of other wars and expressed a wish that the boys engaged in the present war would not be received in the same manner they were in previous wars. His plan for reclaiming lands in the great northwest and preparing 40 acre tracts to be given to the boys when they return from the war, was enthusiastically received.

Mr. Upton was followed by Dr. J. H. Gervin who in his usual pleasing manner delivered a very stirring and patriotic address. He comforted the hearts of the sorrowing mothers who were giving their sons for the cause of democracy.

At the close taps were sounded and a salute was fired by the High School cadets.

CAPT. ROSENBERG TO LECTURE

Captain J. H. Rosenberg will give a lecture at the Methodist Church Sunday morning on Red Cross and Y. M. C. A. work in the camps.

CAPTAIN ROSENBERG PRESIDES

Large Crowd Present at Luncheon at Prineville Hotel, Friday

The Commercial Club luncheon which was held at the Prineville Hotel last Friday noon was attended by about fifty. Several out of town guests were present.

Captain J. H. Rosenberg was chairman for the meeting and gave a very interesting talk on his experiences since entering the service a year ago. Captain Rosenberg, before his enlistment, was permanent chairman for these Commercial Club meetings and is greatly interested in the work that has been accomplished during his absence.

Guy Lafollette reported that city delivery had been secured for Prineville and that the local office would probably be advanced to second class in a short time.

The following committee was appointed to take charge of the distribution of ties on the Prineville railroad from Prineville to the Crooked River bridge: Chairman G. P. Reams, H. K. Lakin, Ross Robinson, R. L. Jordan and O. C. Claypool.

Collins W. Elkins will be chairman for the next meeting which will be held at 6:30 tomorrow evening.

PICNIC DINNER FOR DRAFTED MEN MAY 30

The nine boys who left Prineville, Friday morning were entertained at the Commercial Club, Thursday with a picnic dinner at 12 o'clock.

About two hundred and fifty were present and the dinner was served cafeteria style on the veranda at the club, after which several patriotic songs were sung in the Ladies Annex rooms.

The following boys entrained for Fort McDowell: Kenneth J. Thomson, Arthur Hining, Charles Kelsay, Jess Redding, Thomas B. Phillips, Matthew T. Leasey, Joseph H. Rountree, Grover Gibson, Oren Jones and Ralph Sylvester.

Crook County's quota for the draft was thirteen but the other four boys entrained from different cities as follows Eugene Phillips, Portland; Cleo Walsh, Walla Walla; Guy B. Finley, Coquille; and Ora Doering, Astoria.

KNIGHTS OF PYTHIAS GET WHITE HOUSE WOOL

The Knights of Pythias Lodge of Prineville was the highest bidder in the state for the two pounds of wool which was recently auctioned off for the benefit of the Red Cross. Their bid was \$500.

The wool was taken from the sheep which were grazed on the White House Lawn and President Wilson released two pounds for every state and territory, to be sold to the highest bidder, the proceeds to be given to the Red Cross of that state.

The next highest bid in Oregon was \$100 from a lodge in Astoria. The Elks lodge of Nome, Alaska, bid \$15.00.

ALL ABLE BODIED MEN MUST WORK 36 HOURS

WEEKLY MINIMUM APPLIES TO MEN WITH FUNDS

COUNCIL ADOPTS WAR MEASURE

Penalty Carries Fine and Jail Sentence—Marshal Will Make Arrests

All able bodied men must work at least 36 hours every week during the war, and those who fail to do so will be subjected to both fines and imprisonment.

Such are the provisions of Ordinance No. 260, passed by the city council Tuesday evening.

The only men exempted from the provisions of the ordinance are those who, because of their age or actual physical disability, would be unable to do a day's work.

The measure is a copy of ordinances that are being passed in all cities and towns in the state, and was agreed upon at the Oregon conference of Mayors at their recent meeting.

The penalty carries a fine of not more than \$50 and jail sentences not to exceed 30 days.

The ordinance will be promptly and strictly enforced, the duty of making arrests falling upon the marshal although other city officials have some powers in the matter also.

It is not the intention of the city officials to put men to work who have reached their declining years, but they are of the impression that quite a number of men can be found who are able to work, who are not doing so. Wealth does not exempt a man from the provisions of the ordinance.

CHAUTAUQUA JULY 5 TO 10 IN PRINEVILLE

WILL OFFER OPPORTUNITY FOR REST AND RECREATION

PROGRAMS WILL BE PATRIOTIC

Much of National Interest Will Appear on More Than Twenty Programs

Prineville will have a Chautauqua again this year, and it will be held in July, commencing on the 5th and continuing for six days.

The programs this year are of a patriotic nature, and have been indorsed by the administration as beneficial in war activities.

There will be more than twenty programs, and the price is the same as before the war, \$2.50 for season tickets, war tax not included, and the single admissions will be about the same as before.

It is a fact of record that the Chautauqua in Canada has gained much strength since the beginning of the war, which is said to be caused by the nature of the programs, and the fact that people need and enjoy a relaxation from harder duties in the fields and shops, and an opportunity to get their minds out something of an educational nature for a short time.

Something of the nature of the programs will appear from week to week in the Journal until opening day. Watch for them, and plan now to attend the Chautauqua.

Bring the children and come to Prineville, spend the week, and be present when the first train arrives in this city, which will no doubt occur during that week.

COMMITTEE MEETING

The executive committee will meet at the Club Hall next Friday, June 7, at three o'clock at which time Rev. Laslette will give a report of the Red Cross convention at Seattle. The Division Superintendent says that the Prineville Chapter is the best in the state according to population.

NET QUOTA FOR SECOND DRAFT IS MADE PUBLIC

Oregon's net remaining quota to be raised in the second draft is 5,458 men. Official announcement of this figure has been made from the war department at Washington. These men will not be called out all at one time, but will be inducted into service as calls are received at Washington for draft increments of various sizes. At the rate inductions are now being made it will not be long before they are all inducted into the service.

The net quota still to be filled under the second draft for Crook County is 46, and Deschutes 58.

Since the announcement two weeks ago, that the Journal will be advanced in price from \$1.50 to \$2 per year on July 1, a large number of friends from all parts of the country have sent in renewals, some taking advantage of the low rate for more than one year in advance.

Statements have been mailed to all subscribers who are in arrears, and those who have not received statements, will find the date of the expiration of their subscriptions opposite the name on their copy or wrapper containing same.

TWO MILES OF STEEL DOWN ON RAILROAD

TRACK IS BEING BALLASTED AS FAST AS LAID

MORE MEN BEING BROUGHT IN

Full Crew of Seventy Men Will Be On Work Soon Says Gogerty

Two miles of steel on the main line track has been laid and the process of ballasting or tamping this finished part of the track will be completed today or early tomorrow.

After this work is done, another section of track will be laid, and if sufficient men are available, a tamping crew will be put onto the work, which will eliminate the necessity of stopping the steel laying crew for the finishing process.

Mr. Gogerty said at ten o'clock today, that more men are on the way in, and a full crew of seventy or a few more will be on the work in a few days.

There are at this time a few less than fifty men on the work. There has been no difficulty in obtaining help, as was feared for a time, but the men are available for almost all parts of the track laying process.

The Crooked River bridge is almost finished to the point where track can be laid, and will be ready by the time the steel is laid to that point.

LIQUOR CACHE NETS 115 QUARTS FRIDAY

Deputy Sheriff F. A. Rowell accompanied Marlon Mayfield to the place where he said liquor which had been brought from Nevada had been buried on Friday, and succeeded in getting 115 quarts of two well known brands of whiskey.

Mayfield made a statement which implicated H. C. Nelson, of Roberts, who Mayfield says brought the liquor into the state, the expense of the trip, some \$600, having been paid by Mayfield.

Nelson was arrested and is being tried this afternoon in Judge Bowman's court.

Mayfield plead guilty to the charge of illegally disposing of liquor, but has not been sentenced.

Mrs. Herschey, of Walla Walla, has sent \$20 to be given to the student in the senior class who received the highest average. This is an annual prize, although the amount has been increased this year, and is given in memory of her son who died while attending Crook County High several years ago.
