TWO PROMINENT MEN DROWN WHILE FISHING

RALPH POINDEXTER AND VERNON A. FORBES ARE VICTIMS

BODIES HAVE NOT BEEN FOUND

Were Three-Fourth Mile From Shore In Canvas Boat With 80 Pound Motor—Cries Heard On Shore

Ralph Poindexter and Vernon A. Forbes were drowned in Crescent Lake Sunday evening about 7 o'clock, when the boat from which they were fishing filled with water and sank. Cries were heard by people on the shore who hastened to their assistance but arrived too late to find more than a hat, a pipe and some fishing tackle floating on the surface.

Ralph Poindexter, who was born and lived most of his life in Prineville, was owner and proprietor of the Owl Pharmacy in Bend where he had lived since 1911.

Vernon A. Forbes was a prominent Bend attorney and joint representative to the state legislature from that district.

According to the account brought in from the scene of the tragedy, the men were fishing in a canvas boat in which they had installed an eighty-pound Evinrude. Half of the boat was found floating, the other half having sunk with the motor. The inference was that the boat had broken in two.

Another account was that the boat did not break but was filled with water and was sunk by the weight of the motor. The tragedy occurred on the east shore of the lake about three-fourths of a mile from shore.

Arrangements have not yet been made for the funeral as the bodies have not yet been recovered.

Ralph Poindexter was born in Prineville, August 31, 1886 and was educated in the Prineville public schools and at the Oregon Agricultural College, taking a special course in pharmacy. He was highly esteemed by his many Prineville friends who were terribly shocked and grieved to learn of his death. He was married in 1915 to Miss Edna Conway, of Portland, who survives him, and he is also survived by his mother and father, Mr. and Mrs. Perry Poindexter of Prineville, a sister, Mrs. Jap Ireland, of Prineville, a sister, Mrs. Will Ford, of John Day, and a brother, Vernon, who is somewhere in California with his father and mother traveling for the benefit of his health, another sister, Cora, and a brother, Vernon.

Vernon A. Forbes was born on October 17, 1883, in Wisconsin. He came west with T. E. Duffy in 1910 and located in Bend where he had built up a large law practice. Mr. Forbes has been a member of the legislature for several years, but was not a candidate for re-election. He was married a few years ago to Miss Ann Markel of Bend. He is survived by his widow and small son Vernon, Jr.

Both men were members of the Elks lodge and Mr. Forbes was mem-

ber of the Knights of Pythias and Mr. Poindexter the Masons.

CITY GRAPPLER BRADY TO SEEK BODIES

City Grappler Hugh Brady of Portland has gone to Crescent Lake today to drag the waters for the bodies of Ralph Poindexter and Vernon Forbes, who were drowned Sunday.

An appeal was sent to Mayor Baker, after several unsuccessful attempts had been made to recover the bodies, and at a meeting of the council, Brady was granted leave of absence to assist in the work. Brady has spent the greater part of his life in this kind of work and is an expert at it.

REI POWELL HOME ON FURLOUGH FROM CAMP

Rei Powell, who has been attending the Officers' Training Course at the Presidio, arrived home on Monday, and is visiting relatives for a few days.

FORFEITS HIS BAIL

Bert Stark and Mike Kelley were arrested at the ball park in Bend Thursday afternoon for disorderly conduct. Each put up a cash bond of \$10 to appear Friday. Stark appeared and pleaded not guilty and was fined \$10. Kelley failed to appear, forfeiting his bail money.

WEST POINT—ANNAPOLIS EXAMS

Competitive Examinations Open to Every Eligible Boy in Second Oregon District

Congressman Nick Sinnott will hold a competitive examination open to every eligible boy in the Second Oregon District for the West Point Military and Annapolis Naval Academy on October 19, 1918.

The examinations, which will be given for the congressman by the United States Civil Service Commission, will be held simultaneously in the following eight cities: Klamath Falls, Lakeview, Ontario, Bend, Baker, LaGrande, Pendleton, and The Dalles.

Those candidates standing highest in each examination will be appointed as principals and alternates in order of standing to fill the one vacancy in West Point and one in Annapolis. Such successful candidates will take the official examinations in the spring of 1919 and if successful in same will enter the academies in June.

Candidates to be eligible must be bona fide residents of the Second Oregon District, and if trying for the West Point cadetship must be between 17 and 22 years of age on the date of admission, and if for appointment as midshipman at Annapolis between the ages of 16 and 20 at date of official examination.

Those interested should write at once to Hon. N. J. Sinnott, Room 242 House of Representatives, Washington, D. C., stating whether they prefer the naval or military academy and requesting copy of booklets giving questions.

ARMY DESERTER IN JAIL

James Warner was arrested at Clatsop Falls and placed in jail at Prineville. He was a member of the 21st Infantry and was stationed at a camp in California, from which place he deserted.

He was sent to Vancouver Barracks, Vancouver, Washington, yesterday.

CHAUTAQUA MOST SUCCESSFUL ONE

PROGRAMS OF PATRIOTIC AND INSTRUCTIVE NATURE

CONTRACT SIGNED FOR 1919

Sixty Four Men Go On Guarantee List for Return Next Year Thirty Year

Chautauqua closed last evening with a patriotic program, bringing to a fitting close a most successful six day program.

The character of the entertainment this year was of a higher class than previous years have been, and all who attended the performances are unanimous in their praises of the management.

Much of a nature that enlightens the people on matters of a national and international character was presented, and all of the lecture numbers were of exceptional high value.

Musical numbers presented a wide variety of talent, and all drew good crowds and held them well.

Sixty-four men signed the guarantee list for the return of the Chautauqua in 1919, as opposed to about thirty who signed last year.

In addition to this a new feature was added, that of securing pledges for the purchase of season tickets for next year.

Almost enough pledges were secured to care for the guarantee which will assist the committee greatly in the work of selling tickets next year.

100 CANS TROUT FRY COMING FOR RESERVOIR

A telegram was received by H. R. Lakin last night, which states that a shipment of 100 cans of trout fry, which will average about 1,000 fingerlings to the can, will be shipped to Prineville in the next few days, for liberation in the Ochoco reservoir.

The fish are being supplied by the state, in response to a request to stock the reservoir, and will be supplemented by other shipments later.

Volunteers are asked to supply autos and motor trucks to assist in bringing the fish to the dam. See H. R. Lakin about this.
