## ANY PERSON TALKING PEACE IS AN ENEMY

MAJOR BRANDON ADDRESSED  
BIG AUDIENCE WEDNESDAY

## ONLY GOOD HUN IS DEAD ONE

Kaiser Not Only Bad Man in Central  
Empire—War Is Not  
Won Yet

Major H. A. Brandon, of the 116 Engineers Corps, recently returned from service in France, addressed a capacity audience at the Circuit Court room here last evening on war conditions abroad.

The Major drove home the fact that any talk of peace at this time is only an advantage to the central powers, that they were not willing to mention the subject while they considered it possible to conquer and annihilate the other nations of the earth, and that peace talk by them at this time is but an effort to break up the strong cooperation and offensive that the allies, through the leadership of the United States, are now starting.

"The only good German is a dead German," the Major continued, and he related a number of acts of treachery and barbarous practices committed by the heathen warriors.

All the stories of atrocities committed against soldiers and civilians, helpless women and little children are true, and many which you have never heard, which are too horrible to print, are known to those who have been in contact with the Hun brute, Major Brandon says.

The war is not yet won, but many months will be required to conquer these people. Major Brandon says.

The men at the front know, and the enemy knows, that this war has become one in which there can be no compromise. Too many outrages

Monday next the people of Prineville will vote on the matter of issuing \$85,000 in bonds for the city of Prineville railroad.

The largest item of expense thus far is the grading, which cost about \$87,000. Some freight is now coming in over the line in full cars.

## QUOTA FOR COUNTY IS PROBABLY \$166,400

AMOUNT LESS THAN DOUBLE  
THE LAST LOAN MADE

## DRIVE IS ON IN COUNTY TODAY

Do Not Wait To Be Solicited—Get  
In Touch With The Committee  
Or Your Bank At Once

The drive for Crook county's quota for the Fourth Liberty Loan is on today.

The amount to be raised is \$166,400.00, and already many subscriptions have been made to assist in rolling up this amount, and to get Oregon over the top first again in this drive as it has been in each of the three former drives.

Headquarters have been established in the First National Bank, where T. M. Baldwin is in touch with the county, assisting in speeding up the work.

Don't wait to be solicited by anyone in this loan. This is your war just as much as it is that of Mr. Baldwin, or any member of the committee, and you should go today, now, and sign the card for your bond.

Any member of the committee, any local committeeman, or your local bank will care for you, or go direct to headquarters.

Precinct chairmen for this drive have been announced. They will select their own workers. The chairmen are as follows:

J. F. Rice, Powell Butte; E. T. Slayton, Johnson Creek; Hugh Lister, Paulina; Herb Angell, Suplee; Frank Hackleman, Camp Creek; Homer Norton, Newsom Creek; J. R. Breese, Breese; J. Floyd Houston, Pringle Flat; Henry Carlin, Bear Creek; J. W. Stanton, Mill Creek; W. A. Donnelly, Upper Ochooc; Alex Hinton, Upper McKay; John Grimes, Rye

## CLOTHING NEEDED IN WAR-RAVAGED BELGIUM

TEN MILLION FACING SHAME,  
SUFFERING AND DISEASE

## THEY ARE SPLENDID IN ACTION

Let Us Match The Courage of France  
And Belgium With The Generosity  
Of America

Herbert C. Hoover has sent an appeal to the people of America for clothing for the suffering peoples of France and Belgium. Ten million people in these two countries are facing disease and some of them death for the lack of clothing this winter. They must be helped.

Mr. Hoover says the first campaign yielded magnificent results, bringing in more than 5,000 tons of clothing in good condition. But much more is needed if these war-ravaged people are to get through the winter in decency and safety. He says they remain splendidly courageous in the face of brutal coercion and spiritual suffering. Let us match the courage of Belgium with the generosity of America.

The Red Cross has taken charge of this work and has set aside the week of September 23-30 for a special campaign for this purpose. Every household in the land has some clothing that is worn or outgrown, of little use here, but desperately needed by the destitute in Belgium and France. Bring your contributions to the Red Cross rooms in Prineville and they will be sorted, packed, and sent to the proper place.

## PARTY WILL ARRIVE AT EIGHT TONIGHT

WOUNDED AND GASSED RE-  
TURNED SOLDIER TO SPEAK

## CAMPAIGN ON FOR 4TH LOAN

Quota For Oregon Will Perhaps Be  
\$35,000,000—People Are  
Eager To Assist

The Liberty Loan party from state headquarters will arrive this evening in time for the 8 o'clock meeting. They are touring the state in the big "Yellow Demon" car which has twice before made the circuit in the interests of liberty, and which has become identified with the very thought of crushing the Hun.

One of the speakers, Sergeant H. L. L. White of the Kootenay Battalion, Canadian Expeditionary Forces, has spent two years in the trenches. This battalion was the first to be sent from the Kootenay district. He has been wounded twice and gassed. He will describe in a realistic manner the warfare of the western front not only from the viewpoint of one who has witnessed it but one who was a participant in some of the greatest battles of the Great War, as he has seen service at St. Eloi, Ypres Salient, Kemmel, Hill 69 on the Somme, Armentiers and Regina Trench.

This will be an unparalleled opportunity for the people of this section to hear first hand descriptions of what is going on "over there."

Oregon's quota for the loan will perhaps be \$35,000,000 and from the spirit in which people are considering the situation, it is a safe prophecy that every man will buy his share of bonds, and that as usual, Oregon will be over the top first.

Tonight's meeting will be held in the Baptist church.

## QUESTIONNAIRES SENT TO MEN 19 TO 36

REMAINDER TO BE SENT  
OUT SOON AFTER

## ANSWERS MUST BE SWORN TO

It Is Important That Questionnaires  
Be Filled Out And Returned  
Very Promptly

Questionnaires will first be mailed out only to registrants between the ages of 19 and 36, inclusive, of those who registered September 12, according to the latest advices received from the provost marshal general by the local selective service board. The men in these ages will apparently be classified and selected first, then those of 18 years and those between 37 and 46 lastly.

As all questionnaires must be sworn to when properly filled out, it is necessary for all draft registrants to consult some person qualified to take oaths. Following is a list of legal advisors who have donated their services to draft registrants and are qualified by appointment to take the necessary oaths of registrants and their witnesses and will do so without charge:

Mrs. L. M. Miller, Paulina; Chas. A. Sherman, Fife; L. M. Bechtell, M. R. Elliott, Claudia Wagoner, T. M. Baldwin, Jay H. Upton, M. E. Brink, M. R. Biggs, A. R. Bowman, Willard H. Wirtz, Judge N. G. Wallace, Judge T. E. J. Duffy, and Geo. L. Bernier of Prineville.

Draft registrants are urged to study the questionnaires thoroughly before going to one of the above named advisors so as not to impose upon these people and so that the work of filling out the questionnaire properly will be expedited. The work of the

Service Very Soon

Crook county has a total enrollment of 610 men in the list of registered men made a week ago today.

Questionnaires are now being mailed to those on the list, and these must be filled out and returned to the local board within five days. They will all be mailed as rapidly as they can be handled by the local board.

The work of classification will progress steadily, and each man will be notified by the board as soon as classifications are made, just what class he is in, etc.

Some of the men in this registration will be called very soon, and perhaps large numbers of them will be in the service within the next sixty days it is said.

The official list of those registered follows:
