

**—and They All Look Good**

—they not only look good, but they feel good and they wear well and keep their shape forever.

There's a wonderful difference between a well-knit, all wool-of-high-grade, ribbed stitch sweater and the common sweaters that you buy in the dark, as it were.

Buy your next sweater or bathing suit carefully; look at the label, and if you find the name Jantzen thereon, you can rest assured that you are getting a garment that you will enjoy owning for a long, long time.

There's a Jantzen dealer in your town.
