ELECTION TO BE HELD NEXT WEEK TUESDAY

STATE, DISTRICT, COUNTY
AND CITY SELECT OFFICIALS

REFLECTIONS SEEM PROBABLE

Withycombe and McNary Will Both
Be Rechosen Seems To Be The
The Belief At This Time

Next Tuesday there will be elections held for the selection of state, district, county, and city officials. Some of these men will be elected for two years only, while in some instances, six year terms are to be filled.

As a general proposition, it seems a poor year for the man who is seeking to replace an official who has made good.

The efforts to defeat Withycombe There's barefaced reelector Soyatvnrso for governor by State Senator Walter M. Pierce are having but little effect in the state at large it is said, and the governor will succeed himself by a large vote is the prediction that is being freely made just now.

Senator McNary will no doubt be elected to succeed himself, although Oswald West is doing everything in his power to defeat the senator, regardless of the fact that he stated at the time McNary was elected that he should be selected to succeed himself at this time.

In the county there has been but little interest in the campaign up to the last few days, outside of the activity of the candidates themselves and their immediate friends.

The three-cornered contest for sheriff makes that contest seem uncertain although each of the three men are claiming a lead over the other two. One week from today we will tell you which one of the three had the figured out correctly.

The County Judge contest between Judge Wallace and Col. F. Smith is growing more spirited every day, and each of the men believes himself to be the strongest man in the race.

Because of the illness of Mrs. Wallace, most of the activity in this contest seems to be left to Mr. Smith.

As in the case of the sheriff contest, we will tell you all about the strength of these men next week. There is no contest on the other county offices.

The city offices are not much sought after, and there will be but little interest in this part of the election.

DON'T SWAP HORSES

LESS THAN TWO WEEKS HENCE a general election will be held in Oregon. It is the duty of the electorate of this state to return Senator McNary and Representatives McArthur, Hawley and Sinnott to congress and to keep James Withycombe in the governor's chair. Each of these five men has proved himself 100 per cent. American, 100 per cent. efficient in every war work, and 100 per cent. loyal to the administration in its war aims. Each of them has been weighed and found not wanting.

The next two years will be a most critical period in the history of this nation. Obviously, it is the part of prudence to retain tried and true men in official capacity. This is no time for new and inexperienced men.

Keep those who in every way are known to be trustworthy. Don't swap horses in the middle of the stream.

REFERRED BY THE STATE TAX COMMISSION

Certificate of Necessity for Increase in State Tax Levy for 1919

(Issued under authority of Chapter 150 Laws of 1917)

STATE OF OREGON, ss.
County of Marion

We, the undersigned, constituting the State Tax Commission of Oregon, hereby certify that in our opinion it is necessary to levy an amount of State taxes for the fiscal year 1919 larger by \$940,000.00 than the amount limited by the Constitution of Oregon, unless specifically authorized by a vote of the people.

From careful investigation we believe that the proposed specific increase of the State levy of taxes for 1919 is necessary that deficiency debts incurred for maintenance of State institutions and departments may be paid, that increased cost of necessary labor and supplies during the ensuing biennium may be anticipated, that unavoidable obligations in war emergencies may be met and that the credit of the State may be preserved. The amount specified is estimated as equivalent to an average levy of one mill on the dollar of the total assessed valuation of the State for the current year.

WITNESS our hands and the seal of the State Tax Commission the seventeenth day of September, 1918.

JAMES WITHYCOMBE, Governor, Chairman.
BEN W. OLCOTT, Secretary of State.
THOS. B. KAY, State Treasurer.
CHAS. V. GALLOWAY, Tax Commissioner.

Filed in the office of the Secretary of State September 17, 1918.

Shall the increase of \$940,000.00, as stated in the foregoing certificate, in the total amount of the State levy of taxes for the year 1919 over the amount otherwise limited by the Constitution of Oregon, be authorized? Vote YES or NO

312 YES.

313 NO.
