Mike laughed
at the Judge

for chewing Gravely.

The Judge came right back at Mike with a friendly chew—just a couple of little squares off his plug of Real Gravely.

Mike found that the chew stayed with him for a long while, and the more he chewed the better it tasted.

"There's the real tobacco satisfaction," says the Judge: "and it costs nothing extra to chew this class of plug."

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
