Andy used to buy  
the biggest plug  
for the money

'till one day Barney gave him a chew of Real Gravelly.

It was an hour or more before Andy said anything. "How much longer does this Gravelly hold its good taste?" he says. "Two or three little squares last me all morning," an-

swers Barney. "This class of tobacco lasts so much longer it costs no more to chew it than ordinary plug costs."

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
