INSOMNIA NOT HARD TO CURE
Easy to Tell the Cause of the Affliction and Remedy is Matter of Common Sense.

"There are two kinds of insomnia, and each has its cure," a doctor said. "In the first kind you go to bed apparently sleepy, and as soon as your head touches the pillow, you become wide awake, and the most vivid and feverish thoughts whirl through your mind for hours. At last, sick with exhaustion, you fall asleep, but it's too late then. Too much time has been lost. You rise in the morning unrefreshed."
"In the second kind of insomnia you go to sleep all right as soon as you go to bed, but in an hour or so you wake up. You lie tossing a long while. You rise unrefreshed here, too."
"The first kind of insomnia is due to rich, indigested food clogging the stomach. The remedy is simpler meals in the evening—no pork or game or cheese or pastry, but, instead, fish or chicken, whole-meal bread, custards or milk toast."
"The second kind is due to lack of exercise. A daily half-hour's gymnastics, followed by a cold bath and a rub-down, will drive it permanently away."

NO SEALS SOLD THIS YEAR.
The customary sale of Red Cross Christmas seals will not be held this year. It seemed best to both the American Red Cross and the National Tuberculosis Association to unite in the Red Cross Christmas Roll Call to reduce the number of appeals to the public for contributions. There will be no lessening of activities by the National Tuberculosis Association through this arrangement, as the Red Cross War Council has appropriated \$2,500,000 for anti-tuberculosis work in 1919 in lieu of the money that ordinarily would be raised by a Christmas Seal Campaign. However, every person joining the Red Cross during the Red Cross Christmas Roll Call will be awarded ten seals to be used as here before.

MANY ROADS TO LONGEVITY
People Who Have Reached Advanced Age by No Means Unanimous as to the Best Path.
Records show that more women live to be centenarians than men. When the census of the United States was taken in 1900 it was found that 6,298 persons between the ages of ninety-five and ninety-nine were living, and of this number 3,536 were women.
Miss Eliza Work, who reached the age of one hundred and five, gave as the reason for her long life that she never drank tea or coffee; Mrs. Margaret Nove, who lived to be one hundred and ten, gave as her reason that she never lacked resources and was always busy, and Mrs. Sylvia Dunham, aged one hundred and one, lived to enjoy the enthusiasm of 22 presidential campaigns. Born in July, 1800, at the age of five she rode in a stage coach, at forty in a canal boat, at ninety-nine in an electric car, and at one hundred in an automobile.
Abraham lived to be one hundred and seventy-five years old and Sarah lived to be one hundred and seven years old, and Isaac, their son, lived to be one hundred and eight, but whether a year was reckoned then as we do now is not known.
William Gladstone lived to be eighty-nine, and at the time of his death his intellect was one of the finest that the world has ever known, and he was called "the Grand Old Man." This is just one of the many cases proving a man is just as useful, if not more so, when he is old than when he is young.

AJAX TIRES
GUARANTEED IN WRITING 5000 MILES

"More Tread on the Road"
HERE is the Ajax Road King—master mile-maker of them all. The tire for endurance and abuse on all roads in any weather. Made doubly strong where the road strain comes. It has more tread on the road—more rubber where it should be—more grip to grip with—because of the special patented feature—

Ajax Shoulders of Strength
These rugged supporting shoulders of the tread mean longer wear. They cushion against shocks. Shoulders of strength distribute road wear evenly. It cannot come in one spot and quickly grind through to the fabric.

97% Owners' Choice
This big percentage of all Ajax Tires goes to individual motorists who select them to take the place of tires that came with their cars. See them here at the Ajax Tires Supply Depot, headquarters for Ajax Tires and Tubes.
