ANNEX ELECTS OFFICERS

At a meeting of the Ladies' Annex Tuesday afternoon the regular routine of business was disposed of, and the annual election of officers was held, the following officers being chosen: President, Mrs. Robert Douglas; vice-president, Mrs. R. W. Rea; secretary, Mrs. Willard Wirtz and treasurer, Mrs. J. B. Shipp.

A delightful musical program was then rendered by the C. C. H. S. orchestra, under the direction of V. C. Shippee.

Mrs. Chas. H. Castner of Hood River, who is president of the State Federation of Women's Clubs was present and gave a most interesting talk on some of the most vital problems of the day.

She spoke in behalf of the Y. W. C. A. in its efforts to aid women and girls left without employment upon the return of men in the service. She stated that in the larger cities large numbers of women had been thrown out of employment, their positions being given to returned soldiers and the problem is one of the most serious now being confronted. In order to carry on its program of aiding these women and girls the Y. W. C. A. is soliciting funds from each county. These funds are expended directly for this work, and no salaries are paid to anyone in that organization.

Mrs. Castner also discussed the proposal of drafting a league to enforce peace, which would work in connection with the league of nations.

The quota assigned to Crook county in the Y. W. C. A. fund drive is \$56, of which both the Paulina and Powell Butte districts have promised to raise an apportionate amount.

To raise the allotment for Prineville it was decided to hold a tag day in the near future and the following committee was appointed for supervising the work: Mrs. J. B. Shipp and Mrs. Robert Davis.

O. E. S. CELEBRATE ANNIVERSARY

Carnation Chapter, No. 44, Order of Eastern Star, which is one of the oldest chapters of Central Oregon, celebrated its twenty-third anniversary at the local lodge rooms last Thursday night, March 27, with Bend and Redmond chapters as its guests.

Large delegations from both the Bend and the Redmond chapters motored over for the occasion. About ninety members of the order were in attendance during the evening, which was also the fourth anniversary of the Redmond chapter.

Being the regular meeting night, the usual work followed by initiatory ceremonies, occupied the greater part of the evening. During the evening's program, Mrs. Ivy B. Davidson, Worthy Matron of Bend Chapter, and Mrs. Olive P. Fuller, Worthy Matron of Redmond Chapter, responded in behalf of their chapters in a very pleasing manner with short addresses. One of the most popular features of the evening was the presentation of the flag drill by the Redmond lodge.

Later in the evening lunch was served downstairs in the Red Cross rooms, which were artistically decorated for the occasion. Large bouquets of carnations adorned each table.

After the lunch a social hour concluded the evening's entertainment.

Prineville Assembly No. 163, United Artisans, will hold a regular meeting on Monday evening, April 7. Candidates for initiation will present themselves at eight o'clock sharp. There will be no other initiation in this lodge this month as the next meeting, on April 21, will be a social meeting, the entire time after eight o'clock to be given up to entertainment. At the special meeting on March 21, a large class received the degrees of the order, after which refreshments were served and a social time held.

Mrs. Metta M. Cahow, Supreme Deputy of the United Artisans has returned to her home in Portland. Mrs. Cahow is a successful Deputy, and on account of her personality is very well liked by all who were fortunate enough to meet her. She has added forty new members to this assembly in her stay in Prineville.

SHUMIA CLUB MEETING

The Shumia Club held its regular meeting at the home of Mrs. M. E. Brink last Saturday.

During the afternoon a well prepared literary program was given which was much appreciated by all present. Mrs. J. H. Rosenberg reviewed one of the modern dramas and Miss Marjorie Brink gave a review of the life of O. Henry, and read one of his stories. At the close of the program a delicious luncheon was served by the hostess.

The club will hold its next meeting Saturday, April 12, at the home of Mrs. E. J. Wilson.

PRESIDENT OF STATE FEDERATION OF WOMEN'S CLUBS

Mrs. Chas. H. Castner of Hood River, President of the State Federation of Women's Clubs, was in the city Monday and Tuesday, as the guest of Mrs. C. W. Elkins.

During her tour of Central Oregon she is paying an official visit to all federated clubs.

While here she addressed the Ladies' Annex Tuesday afternoon, and the same evening she spoke before a crowd at the Presbyterian church. On Monday evening she was the guest of the Powell Butte club.

Mrs. Castner was very favorably impressed with this country and she could note many improvements since her last visit here, which was in October, 1917 when the Prineville clubs entertained the state federation at its annual session. Much credit is due to her influence at that time by the increase of federated clubs throughout Central Oregon. Then only seven clubs were affiliated with the federation, while today there are ten organizations within its jurisdiction with a possibility of adding other clubs to its roll in the near future. The ten federated clubs include two clubs each in Prineville, Bend, Redmond, and Tumalo, and one each at Powell Butte and Madras.

From here Mrs. Castner went to Bend to extend an official visit to the clubs of that city.

RED CROSS LADIES WORK

IDAHO GOVERNMENT CHANGES ITS FORM

Boise, Idaho.—Idaho on Monday, March 31, changed its form of state government to what is claimed to be one of the most modern systems adopted by any state in the union. Summarized, it is of the commission or cabinet variety, centering responsibility for its conduct in Governor D. W. Davis and the men he selects to administer state affairs. While the six elective constitutional offices remain intact and perform the functions vested in them by the constitution, the cabinet, to which is delegated many duties now performed by constitutional officers, supervises to a great extent administration work.

This is the first western state to take up the new form of cabinet government. The experiment will, therefore, be watched with the keenest interest by sister states. The idea was proposed by Governor Davis and is change recommended by him in his message. The governor held it to be for the best interests of the state and the legislature approved his suggestion.

ARMY RATION IS INCREASED

Americans to Get Corn, String Beans, Pumpkins and Squash.

Washington.—American soldiers, already regarded as the best fed fighting men in the world, are to be furnished with an even more diversified

menu. Announcement was made that upon the recommendation of Major-General Rogers, quartermaster-general, Secretary Baker had authorized the issuing as a part of the army ration after April 1 canned corn, peas, string beans, pumpkins and squash. Hitherto such things have been bought as extras out of the company mess funds. The canned tomato portion of the ration also will be increased. Candy and tobacco recently were added to the rations issued to the soldiers overseas.

Over Billion Tied Up in Railways.

Pittsburg.—The railroad administration will have \$1,050,000,000 tied up in the national railways at the end of the calendar year, Director General Hines declared in a speech before the chamber of commerce. TELEGRAPH RATES GO UP

Burlison Makes Official Announcement of 20 Per Cent Advance.

Washington.—Postmaster General Burlison announced an increase of 20 per cent in the rates for United States domestic telegrams, effective April 1. Day letters and night letters shall be computed as at present, but charged for on the basis of the new rates. Night messages will be charged for at an increase of 20 per cent over existing night message rates.

The rate increases ordered, according to Burlison, "are made necessary to meet the increased cost of operation occasioned by wage increases now in effect, made during the past year." The 20 per cent increase ordered, he says, is "barely sufficient" to meet wage raises.
