

Camel CIGARETTES

CAMELS supply cigarette contentment beyond anything you ever experienced! You never tasted such full-bodied mellow-mildness; such refreshing, appetizing flavor and coolness. The more Camels you smoke the greater becomes your delight—Camels are such a cigarette revelation!

Everything about Camels you find so fascinating is due to their quality—to the expert blend of choice Turkish and choice Domestic tobaccos.

You'll say Camels are in a class by themselves—they seem made to meet your own personal taste in so many ways! Freedom from any unpleasant cigarettary after-taste or unpleasant cigarettary odor makes Camels particularly desirable to the most fastidious smokers. And, you smoke Camels as liberally as meets your own wishes, for they never tire your taste!

Paid a War Bet.
War bets are now being paid by the people who were wont to say, "You can't beat Germany." Morgan J. O'Brien, former Judge of the Supreme court of New York, recently gave "the best dinner that money could buy" to Gen. Coleman Dupont and 25 of the latter's friends, because of a difference of opinion as to German prowess. The Justice thought the allies could not get into Soissons last year by a certain date; the general was sure they could. They did; and the outcome for which Judge O'Brien paid a heavy bill, was called the "Soissons dinner."—The Outlook.

Chicago's Oldest Saloon.
When the dry law went into effect and Chicago's 6,000 saloons went out of business, it ended the career of Chicago's oldest saloon which was established in 1837, the same year Chicago was incorporated as a city. Since that time the business has passed through the hands of a family of four generations. Indian camps were a common sight in Chicago in those days. The city had about 5,000 inhabitants; to-day there are nearly 3,000,000 persons.
