(By Rex Beach)

Alaire Austin... Anna Q. Nilsson... Dave Law... Herbert Hayes...

Alaire Austin (Anna Q. Nilsson) is the beautiful young wife of a rich but morally worthless ranch owner...

Losing her way in the white hot sand and stinging cactus, Alaire falls exhausted at dusk at the edge of a water hole...

This is the beginning of an acquaintance which is destined to grow into a great love between this girl of wealth and the soldier of fortune...

Through the machinations of one Luis Junforio, rebel Mexican general, infatuated with Alaire, her husband is slain by a treacherous dismissed employee...

Longorio's men, meanwhile, have driven off several hundred head of valuable cattle from Mrs. Austin's ranch...

prisoner by Longorio, who has vowed to marry her. To carry out his purpose he fetches a priest to his quarters...

Law meanwhile has been searching for the woman he loves and succeeds after many escapes from death, in penetrating to Longorio's headquarters...

Lead BERT HALL in "A ROMANCE OF THE AIR"

Longorio, returning, is enraged at being cheated of his prey. He orders Law shot. The priest again intervenes, however, and by the exercise of adroit flattery...

Safely on his way to Texas, Law reveals to his bride a secret which has made him promise his friend and mentor, an El Paso lawyer...

his bride are free to live in happiness and contentment.

There are countless complicating incidents, some thrilling, not a few humorous, not the least of which is a visualization of the famous Guzman incident...

MISS EDITH DAY, AN AMERICAN, UNKNOWNLY AIDED KAISER

It was when the world first shook with the roar of war that Miss Edith Day, a young American girl studying music abroad, found herself in Germany...

THIS IS THE STORY:

Cheyenne Harry, wanted for cat-turusting, escapes across the Canadian border, not more than two feet ahead of the posse that is chasing him...

Harry leaves the camp in a canoe which he borrows from a missionary father. As he leaves the water

HARRY CAREY STARS IN "A FIGHT FOR LOVE"

HARRY CAREY in "A FIGHT FOR LOVE"

Out of the frying-pan into the fire is what happens to Harry Carey when he dodges the law and skips into Canada in his big new picture called "A Fight For Love"...

around him is spattered with bullets from the rifles of the police. In due time he arrives at the local store of the Hudson Bay company...

But it stands to reason that if you are a cattle rustler and have a posse at your heels and land in an Indian camp where the big chief's word is law, it stands to reason, that that things are going to be lively.

PRINEVILLE TOO?

He lives in Crane. He is found everywhere. He knocks the home town because he thinks he will be credited with superior knowledge.

He or she wishes to appear sophisticated. Nothing is O. K. in Crane. On general principles it is the worst place on earth.

For instance, we are not to be compared with Bend. But when you go to that city you find the same brand of knockers who say it does not compare with other cities.

Wherever they live, home-town knockers are just plain kickers who are chronically dissatisfied because they are grown that way.

Nobody takes them seriously. Tell them to "get up and git."—Crane American.
