**PRINEVILLE LEADS IN MAKING MILK SURVEY**  
Prineville leads all the state in promptness in making a milk survey in the school. Principal Babcock, at the request of the Oregon Dairy Council, made the survey and found that there were 86 children who did not drink milk daily; 70 who got a pint or over and 44 who got a glass of milk daily. The survey has the sanction of State Superintendent Churchill, Dr. Robert of the Bureau of Health, the Oregon Federation of Women's Clubs, the State Parent-Teacher Associations, and many persons of prominence.

The club women and the parent-teacher associations are being asked to hold a special milk program and give mothers full information regarding the food value of milk. Anyone wishing a special leaflet on the subject may apply to the secretary of the council, Edith Knight ill, 307 Broadway building, Portland. The domestic science teachers of the state are cooperating by teaching the use of dishes made from milk. The teachers throughout the state are interested and helping.
