NO. 1.

VOTERS INDORSE BOND ISSUE BY A LARGE PLURALITY

Official Count Gives Measure Vote of 576 YES as Against 38 NO in County--Ratio 15 to 1

VICTORY DAY CELEBRATION ENJOYED

This Was the First Reception Given to Returned Heroes by the Citizens of Crook County

NEWSOM, HAT ROCK AND HOWARD VOTE SOLID

Prineville Precincts, With About 400 Votes, Cast Only 10 Negative.

By the tremendous odds of fifteen to one, the voters of Crook county endorsed the proposed \$220,000 bond issue at the election on Friday.

The official count shows that 576 ballots were cast in favor of the highway bond program, while only 38 were negative.

Although the total is less than twenty-five per cent of the actual voting strength of the county, it is considered a representative vote, and the snow storm kept a great many from the polling places. Three precincts, Breeze, Roberts and Summit, did not open the polls because of the stormy conditions keeping voters away.

The vote in the Prineville precincts was in a large measure cast during the last three hours the books were open.

No unfavorable votes were cast on the measure in Newsom, Hat Rock, or Howard, while the largest precinct in the county, East Prineville, had but one negative vote out of a total of 195, McKay, Bear Creek, Beaver

and Fife, each casting one ballot against the bonds.

Two precincts, each casting a very light vote, were against the bonds, Montgomery and Mill Creek.

The vote is one of confidence in the county court and the state highway commission, and is worth thousands of dollars to the county in development, for the unqualified approval of the program means that it will be given added speed by the vote.

Immense development that is sure to follow the building of the highways, is sure to come in the immediate future, and will give the county the position it has long deserved, among the first in importance in the state.

The Crooked River Highway will be under construction during the coming week, and will be completed next year, following which the Ochoco road will be built from Prineville to the Jones Saw mill section, and the Bear Creek, Ochoco Project and upper Crooked River highways will be constructed.

A LARGE REPRESENTATION OF MEN IN UNIFORM

Football Game Hard Fought--Dinner Pronounced Ahead of Army Chow.

A comfortably filled house at the Commercial Club auditorium on Tuesday welcomed the returned veterans of the great war, and fitting music and addresses were delivered on the occasion.

J. H. Upton acted as chairman of the day. Invocation was asked by Rev. W. L. Van Nuys, and the address of welcome to the soldiers was delivered by Judge Wallace.

More than a hundred returned veterans, most of them in uniform, were present to enjoy the occasion prepared for them. They marched a few blocks before the opening of the program at the hall, making the parade short.

Judge Wallace received hearty applause when he suggested that "Fritz" and all of his kind be severely dealt with in this country, just as they were across the water, and while he did not mention hand grenades and like receptions, left the inference that all agitators should be compelled to be good, regardless of what was required to get that result.

The principal address of the day was delivered by State Senator Butler of The Dalles. Senator Butler emphasized the fact that the country is leaning heavily upon the returned soldier in this time of unrest, and said that an actual revolution is nearer than some suppose, and that stern hands should be placed on all agitators against the government and the flag.

Excellent musical numbers were presented by the local band, the ladies' quartet, soloists, one deserving special mention being two whistling selections by Miss Cramer of the high school faculty.

Following the program a chicken dinner was served to all returned soldiers at Hotel Prineville, after which a closely contested game of football between the Legion team and C. C. H. S. was played, the decision going to the high school on a much closer count than some supposed.

The day was closed with a well-attended dance at the club hall.

LOCAL LEGION STIRRED

Following the receipt of the news of the killing of four veterans of the war at Centralia, the following telegram was dispatched to the Portland headquarters:

"State Chairman,
"American Legion,
"Portland, Oregon,
Crook county deeply grieved over Centralia tragedy and this effort made by the State Officials of the Oregon Branch of the American Legion in cooperating with the Grant Hodge Post of Centralia in handling the situation.

CROOK COUNTY POST NO. 29
By Asa W. Battles, Secy."

JAY DE FOE ARRESTED

Former Prineville Man Apprehended On Warrant Accusing Attempt To Defraud

Jay De Foe, who, until very recently has been living on a part of the Powell place, east of the city, was placed under arrest yesterday at Echo Oregon, where he was apprehended by Sheriff T. D. Taylor of Umatilla county, and who had been placed on the lookout for him by Sheriff Combs of this county.

The warrant under which DeFoe was arrested alleges that he passed a check of questionable worth, drawn on the First National Bank of this place, and given to C. W. Elkins in part payment for an automobile.

Deputy Sheriff F. A. Rowell and C. W. Elkins left this morning for Pendleton and will bring De Foe and the car back to Prineville, where a hearing will be given.

PROHIBITION FIGHT NOT OVER

Speaker Declares That Liquor Interests Are Organizing For Battle

Rev. G. M. Hammond delivered a masterful lecture at the Presbyterian church Sunday in the interest of the prohibition cause.

Mr. Hammond declared that the fight for a dry nation is not yet over, that the measure itself is not effective without legislation to aid its enforcement, and that the wet forces have organized and the result of their organization is easily seen in the recent elections in Ohio and other eastern states.

He says that all men elected to legislative positions should be right in this regard and that no chances be taken in their selection.

MRS EDWARDS BADLY INJURED

Mrs. Chas. S. Edwards was painfully injured Saturday when coal gas which had formed in the family range exploded.

While the burn, which extended over her face and parts of her neck and head is not considered dangerous, it is extremely painful.

RATES WILL BRING EXCURSION

Phil S. Bates was in the city Friday from Portland, and promised to assist in bringing an excursion of 100 or more Portland business men to Prineville next spring some time.

We can show them something worth while on the Ochoco Project and elsewhere at that time.

LEGION HAS 30 NEW MEMBERS

Special Meeting Called For Monday Night Next

A special meeting of the local Post of the American Legion has been called for next Monday night at the meeting place at the court house.

More than thirty new members have been added to the local post during the past few days, bringing the total up to 150, which is one of the strongest organizations in the state.

SMOKER PROMISES BIG ATTENDANCE

The smoker which has been arranged by matchmaker Johnson, and set for Saturday of this week, at the Club Hall, promises to draw a large crowd of fans.

The main bout will be a wrestling match between Roy Anderson, former champion of the army and Paul Tangen of Bend, and will be a good number.

There is a question whether John Cyrus will be able to be present for his part in which event Tommy Phillips will meet Chas. Pratt in a boxing bout. Tickets will be sold at the door.

C. C. H. S. WINS GAME FROM AMERICAN LEGION

The Crook county high school football team won a well-earned victory from the team representing the American Legion at the high school gridiron on Armistice Day by a score of 14 to 7. Although they received the breaks in the game at a time when defeat was facing them, they outplayed their heavier opponents and made yard after yard through the line. Their team work was the best seen on the local grounds this year. Promptly at three o'clock before the largest crowd which has attended a football game this year, Huston for the high school kicked off, the ball being returned to the middle of the field. Several times during the first half the high school was close to the Legion goal but did not have the punch to put it over. Brosius was the star of the game and did most of the ground gaining for the Legion team. Time after time he made yardage and soon after the start of the game scored the only touchdown which was scored by the Legion team. He followed this by kicking a very difficult goal. The high school made all their scores in the last ten minutes of the game and showed their ability to come from behind and fight. A series of forward passes Davis to Miller brought the ball to within scoring distance when Ogden Mills pushed it over, Davis kicking goal.

With the score tied they fought harder than ever and at this point received the break which gave them

the game. With the ball in the center of the field Brosius dropped back to punt and Darrol Mills breaking through the line blocked the kick, receiving a nasty kick from Brosius which will put him out of the game for the present. Mills ability to break through the Legion line was a feature of the game. Coshow picked up the ball, running thirty-five yards to a touchdown, and Davis kicked goal. With the game lost, quarterback Yancy opened up with a series of forward passes which came very near being disastrous for the high school. The game ended with the ball on the high school twenty-five yard line. The high school team play the Bend high school at Redmond on November 20 for the championship of Central Oregon, each having won one game. This game will be worth seeing and as many as can should go to Redmond on this date and root for Crook county high. The line-up of the game Tuesday follows:

Legion	High School
Michel	L E Huston
Lawson	L T Lister
Doby	L G Horgan
Bixby	C Coshow
Dillon	R G Hayes
Hayes	R T D. Mills
Houston	R E Miller

Substitutes, Legion: Powell for Cannon, Noble for Hayes.
Officials: Referee, Sam Ellis; Umpire, R. E. Froiseth; head linesman, Arthur Michel.

TWENTY-TWO MILES DAILY TO ATTEND C. C. H. S.

(By Ruth Adamson)

Twenty-two miles a day in a Ford car, to attend the Crook County high school, has been the record maintained all fall by three students of one family, Andrew, Veronica, and Horace Breen, who make the ride to and from the school from their farm home eleven miles northwest of here. Cold, frosty mornings, and all kinds of weather have failed to break the undaunted will and determination of the three students, who thus far have not missed a day of school. At present, they hold the record for coming the greatest distance daily to attend the institution.

The students are members of the Freshman, Junior, and senior classes respectively. An older sister who teaches a rural school, and a younger sister who attends the same school, also accompany the high school students a portion of the distance.

PAC. INTERNATIONAL OPENS ON MODNAY

NORTHWEST'S LARGEST SHOW TO BE HELD IN NEW HOME BIGGEST LVESTOCK EVENT

Many Central Oregon Stockmen To Attend—Exhibition Is To Last All Of Next Week

On Monday next, the Pacific International, under new impetus, will be opened for a week's exhibition in the new auditorium at North Portland.

This show will be the largest by far ever shown in the west, and from the bookings of entries and all indications of attendance, will be second only to the Chicago International in importance.

Visitors are already crowding the Portland hotels and the real importance of the industry in the west will be demonstrated as never before.

A great many stockmen from this part of the state have already commenced to gather here and a yet larger number will be in attendance on the opening day.

Something of a report of the exposition will be given in the Journal next week, for the benefit of our livestock readers, who will be unable to attend.

LINE UP OR GET OUT

The shooting down from ambush of four marching veterans of the great war on Tuesday by red radicals shows the results of tolerating these people in any community.

In old times, any man who spoke disrespectfully of the flag or the government or the government heads was considered guilty of treason.

Too much leniency has been shown in the treatment of these agitators and the tragedy Tuesday is one of the many results.

These red agitators are not true representatives of union labor, have no real connection with labor or other organizations, and should be treated as enemies to the country and nothing less.

To the radical we would suggest:

If this country is not good enough for you, get out! There is room for you and your kind where you came from, across the water. You had best move while the moving is good and before it is too late!
