Yes, it's toasted

YOU know how much toasting improves bread. Makes it taste good. Of course—more flavor.

Same with tobacco—especially Kentucky Burley.

Buy yourself a package of Lucky Strike cigarettes. Notice the toasted flavor. Great! Nothing like it. The real Burley cigarette.

The American Tobacco Co.

WHY DID YOU LEAVE THE FARM, MY LAD?

Why did you leave the farm, my lad? Why did you bolt and leave your dad? Why did you beat it off to town And turn your poor old father down? Thinkers of platform pulpit and press Are wallowing in deep distress. They seek to know the hidden cause Why farmer boys desert their pa's.

"Well stranger, since you've been so frank, I'll roll aside the hazy bank; I left my dad, his farm, his plow, Because my calf became his cow, I left my dad, 'twas wrong of course, Because my colt became his horse, I left my dad to sow and reap Because my lamb became his sheep, I dropped the hoe and stuck the fork Because my pig became his pork. The garden truck that I made grow Was his to sell, but mine to hoe.

"It's not the smoke in the atmosphere Nor the taste for life that brought me here Please tell the platform, pulpit, press, No fear of toil or love of dress, Is driving off the farmer lads, It's just the methods of their dads."

GRADUATE 1,000 SERVICE MEN

During the year of its existence, the Ford Service Course, organized January 1, 1918, by the Ford Motor Company, graduated more than 1,000 service men who came to Detroit from Ford dealers in various parts of the United States to learn the proper and most efficient way to repair Ford cars. It is the intention of the company to eventually have every service man and mechanic employed by authorized Ford dealers to come to Detroit to take the course.

The expenditure of \$150,000 which was the cost of beginning the course, is looked upon by company officials as a good investment because it will help to give standard service to car owners.
