DANCE HUGE SUCCESS

The dance last Friday night under the auspices of the Athletic Club was attended by the largest crowd of dancers that have attended a dance at the Club Hall since the fair. Bowker's orchestra from Portland furnished first-class, up-to-date music, and full of the kind of 'pep' that the

Prineville dancers like. A large number of people from neighboring localities were present to enjoy the dancing as well as Prineville people.

The Easiest Way.

Following the line of the least resistance is what makes rivers and men crooked.—Boston Transcript.

CHANDLER SIX Famous For Its Marvelous Motor

Europe Welcomes The Chandler Six

NOW and then you read something about "French style and line" in automobiles, or perhaps it's "the newest English idea." And some folks have gone across to get the newest suggestions.

Europe hasn't built automobiles for five years and Europe is crying for new cars and good cars.

America's style is Europe's style now.

The Chandler Six, popular in many other countries for years but kept out of Europe the past three years because of war-time prohibition of shipments, is welcomed everywhere in Europe now—welcomed for the excellence of its performance, and quite as much for the beauty of its styles of body.

The Chandler, represented in the British Isles by Messrs. H. G. Burford & Company, Ltd., of London, was exhibited by that old established English automotive house, at the great Olympia Motor Show,

and was "quite the sensation of the show," says a London cable.

"Three hundred and seventy Chandlers were sold in two days."

Apparently England is greatly pleased with America's best style in motor cars.
