SHIPWRECK IN NEW PICTURE

A careless helmsman flirting with the serving girl, wrecks a yachting party on a desert island in 'Male and Female,' a Paramount-Artercraft picture produced by Cecil B. De Mille, which will come to the Lyric theater Friday and Saturday. Moreover it's a real yacht and a real rock that come together. It's only one of the big scenes where lives and a large amount of money were risked for the sake of realism in this production.

'MALE AND FEMALE' A LAVISH PRODUCTION

'Would you put a Jack Daw and a Bird of Paradise in the same cage? It's kind to kind, Ellen—you and I can never change it.' Those were the words Lady Mary Lansenby spoke to a friend who had challenged a conventional theory. But little did she know what fate held in store for her. Little did she know that before long she would be fairly eating her own

words! See why and how in 'Male and Female,' the most lavish Cecil B. DeMille picture ever shown.

Produced by the producer of 'For Better, For Worse,' 'Old Wives for New,' and 'Don't Change Your Husband'—Cecil B. DeMille. A picture with a real thought behind it, a drama of old society versus new, a love story that holds one spellbound, a thrill that takes the breath away. To miss it is to miss the picture of the hour.

CECIL B. DEMILLE'S NEW PICTURE IS A MARVEL

Genuineness and absolute realism are two factors in the enormous success which Cecil De Mille has attained as a motion picture director. These qualities are present in 'Male and Female,' Mr. De Mille's latest Paramount-Artercraft picture, which was adapted from Sir James Barrie's famous play 'The Admirable Crichton' and will be on view at the Lyric theater Friday and Saturday. It is Mr. De Mille's desire that every property or furnishing used in his productions be the best that can be bought.

Properties used in his latest picture total thousands of dollars in value. One toilet set alone cost five hundred dollars, and the gorgeous gowns worn by Gloria Swanson, Lila Lee, and Bebe Daniels, who are in the cast are worth a handsome price.

The story of Crichton, the butler in the family of English nobles who was wrecked with his mother's yachting party at sea and became their leader has long delighted thousands. Under the aster hand of Cecil De Mille, it is a screen masterpiece. Thomas Meighan plays the leading role and Theodore Roberts, Raymond Hatton, and Guy Oliver are included in the cast.

Wm. Peterson lost a valuable horse last week.

Mr. and Mrs. Rei Powell, Mrs. Ella Powell and Mr. and Mrs. Walstrom of Prineville came out to attend the concert given by the Redmond Glee Club Friday night. They returned the same evening.

E. A. Bussett was very painfully injured last week when the mule team that his son, Lloyd was working, ran away, striking Mr. Bussett with the wagon rack knocking him down and crushing his ribs and otherwise bruising him. Dr. Hoshch was called and the injured man cared for and while his injuries are not considered fatal, they cause him much suffering. Mr. Bussett had scarcely recovered from a previous encounter with the same span of mules.

Mrs. George Kissler had the misfortune to run a nail into her foot last week. She is much improved now and can walk on her foot.
