PRESBYTERIAN-METHODIST

Sunday school at 10:00 A. M., preaching and divine worship at 11 and 7:30. The evening service held in the Methodist house of worship. Prayer service every Wednesday at 7:30 P. M.

The attendance last Sunday throughout the entire day was most encouraging. Since Easter it has been steadily increasing.

"I feel better when I go to church," says one. Of course you do. God knew our need for rest and worship. Let us not go so hard during the week folks, or make God's day a holiday rather than a Holy Day, thus robbing ourselves of these God given privileges. The Lord's Day is a wonderful day if we used it like He intended.

Mr. Dwight H. Moody, the great evangelist was always optimistic concerning the church where the Word of God is studied. Our goal for attendance at this service is sixty for April and May. We ask your interest. Are you boosting for the Wednesday night service? If not, why not?

NOTICE FOR PUBLICATION

Department of the Interior, U. S. Land Office, at The Dalles, Oregon, April 15th, 1920.

Notice is hereby given that EVA N. DRAK, of Prineville, Oregon, who, on September 30, 1915, made H. E. Entry No. 915426 and on October 15th, 1919, made Ad. E. No. 917651, for

IF— THE STATE UNIVERSITY AGRICULTURAL COLLEGE AND THE STATE NORMAL

have for many years spent less money per student in training Oregon boys and girls than is spent at any other state institution. The present cost at the State University is \$203 a year; at the College it is \$180. But even before the war, when money would buy twice as much as it buys now, the average cost at all other state institutions was \$325 a year. In addition.

THEIR BUILDING INVESTMENT IS ALSO VERY LOW

At the State University it is at present \$322 per student; at the College, \$300. But in state institutions elsewhere, statistics show the average to be \$995. These are convincing proofs of economical administration, but the three institutions can no longer give satisfactory training to the vast number of Oregon Boys and Girls (5,400 in full time courses alone.) unless they receive more support. On May 21 the Higher Educational relief measure will appear on the ballot. You are urged to preserve the quality of higher education by voting for it.

Section Ten (10), Section 10, Township 14-South, Range 20-East, Willamette Meridian, has filed notice of intention to make final three year Proof, to establish claim to the land above described, before Lake M. Bechtel, U. S. Commissioner, at Prineville, Oregon, on the 25th day of May, 1920.

Claimant names as witnesses: Harvey D. Dunham, Almada Dunham, Charles F. Perrin, James W. Johnson, all of Post, Oregon.
