"Just as Man to Man"
says the Good Judge

You get a lot more genuine satisfaction from a little of the Real Tobacco Chew than you ever got from the old kind.

You don't need a fresh chew nearly as often, the good, rich, real tobacco taste is so lasting. That's why it costs less to use this class of tobacco.

Any man who uses the real Tobacco Chew will tell you that.

Memorial to Great Scientist.
The original home and laboratory of Dr. Joseph Priestly, the chemist who discovered oxygen in 1774, a frame house, located on the banks of the Susquehanna river at Northumberland, has been bought by graduate chemists of the Pennsylvania State college, who plan to move it to the college campus in Philadelphia and make it a lasting memorial to the great scientist.

Teak Most Lasting Timber.
It takes between 100 and 200 years for a teak tree to reach a height of 150 feet. But teakwood makes perhaps the most lasting lumber known. The teak tree is "the most important tree in the commerce of Siam."

Is Largest Tunnel.
The longest railway tunnel on the American continent is the Rogers pass tunnel on the Rocky mountain division of the Canadian Pacific line, which is five miles in length and runs under Mount McDonald, in the Selkirk range. It was constructed at a cost of more than \$10,000,000.

The Original Hearse.
A hearse originally was a metal grating or spike fence with upright spikes for the reception of candles for illumination or the hanging of decorative draperies around a tomb or at a gateway.

IF—
THE STATE UNIVERSITY
AGRICULTURAL COLLEGE
AND THE STATE NORMAL

have for many years spent less money per student in training Oregon boys and girls than is spent at any other state institution. The present cost at the State University is \$203 a year; at the College it is \$180. But even before the war, when money would buy twice as much as it buys now, the average cost at all other state institutions was \$325 a year. In addition.

THEIR BUILDING INVESTMENT IS ALSO VERY LOW

At the State University it is at present \$322 per student; at the College, \$200. But in state institutions elsewhere, statistics show the average to be \$395. These are convincing proofs of economical administration, but the three institutions can no longer give satisfactory training to the vast number of Oregon Boys and Girls (5,400 in full time courses alone) unless they receive more support. On May 21 the Higher Educational relief measure will appear on the ballot. You are urged to preserve the quality of higher education by voting for it.
