CLUB MEMBERS JUDGE STOCK

Contests Conducted to Improve Methods Used in Production and Care of Live Stock.

(Prepared by the United States Department of Agriculture.)

It is almost as important to be able to judge an animal accurately as it is to raise one successfully. If a person does not know what constitutes food points in an animal, he is obliged to rely on someone else's judgment in both buying and selling. That is one reason why boys and girls in the clubs supervised by the department of agriculture and the state agricultural colleges are being trained in stock judging. At the county, state, and interstate fairs, live stock judging contests are conducted and demonstrations given by club members to inter-

est the public and improve the methods used in the production and care of live stock.

At the Missouri state fair boys' and girls' club teams judged both beef and dairy cattle. In putting on the demonstrations each member had his particular part to do. The captain of the team introduced one member, who gave the history and characteristics of an ideal beef animal and the same for one of dairy type. Another member compared dairy and beef cattle by using an animal exhibited at the fair to illustrate his points. The captain then scored a beef steer, using a large score card that could be read by everyone in the audience. Each point was discussed and the rating of the good and poor features of the animal were pointed out and scored.

At the interstate fair, at Sioux City, Ia., the Nebraska live stock judging team won first honors in competition with teams from North Dakota, South Dakota, Missouri and Iowa.

Before Committing Yourself Consider These Facts:

Out of thirteen states, where the contest was between Wood and Johnson for the instruction of delegates to the Republican National Convention, the elections have been decided for Wood in nine.

Total Number of Delegates Pledged to Vote for Wood at Republican National Convention, 321

Since the narrowing down of the field, the situation is generally diagnosed as follows:

A vote for Hoover, for Lowden, or for Poindexter is a vote for Johnson.
