

# Firestone

**EXTRAVAGANCE** has gone by the board. Thrift is in the air. Men are buying where the value is.

The Firestone thrifty 3 1/2 is leading the small-tire field today. Because it is built on real thrift methods from start to finish.

Firestone experts on the spot in the raw material markets of the world are able to get first choice of quality at quantity purchase prices.

Firestone men have worked out the way to produce this tire by concentrated methods—no waste material, no waste motion, no waste space.

*And Firestone volume output, through thousands of dealers, permits selling at a close margin. The user gets the benefit. Try this Firestone thrifty 3 1/2.*

**30x3 1/2**

(non skid)

**\$22 50**

Gray Tube \$3.75  
Red Tube \$4.50

"WHERE IT PAYS TO TRADE"

### That office boy was a good picker

IT WAS my busy day.  
AND I told the boy.  
I COULD not see.  
ANY VISITORS.  
AND HE popped back.  
AND SAID there was.  
A GENTLEMAN outside.  
WHO WISHED to see me.  
AND I said "No."  
BUT I guess the boy.  
IS LIKE my wife.  
AND DOESN'T know.  
WHO'S BOSS.  
FOR BACK he comes.  
AND SAYS the man.  
WANTS JUST a word.  
AND I told the boy.  
I COULD tell the man.  
JUST WHERE to go.

IN JUST three words.  
BUT THE boy came back.  
AND SAID the man.  
COULD SPOT me one.  
HIS BUSINESS needed.  
JUST TWO words.  
AND I'M a sport.  
AND CURIOUS too.  
SO IN he came.  
AND HANDED me.  
SOME CIGARETTES to try.  
AND SAID "They Satisfy."  
AND I will state.  
HE SAID something.

"THEY satisfy"—that says it. Never were finer tobaccos used in any cigarette and never were tobaccos more carefully and skillfully blended. Chesterfields give you all that any cigarette could give, plus a certain "satisfy" quality that is exclusively theirs. The blend can't be copied.

### Prineville Machine Shop

Tempered With Mercy. Even the girl who gets mad when she is kissed by a man is always merciful enough to remember that perhaps the poor fellow couldn't resist such a temptation.—Houston Post.

The Weightiest Games. Men understand not what is among their hands; as calmness is the characteristic of strength, so the weightiest causes may be the most silent.—Thomas Carlyle.

A Boon to Business

Facts about the Woodstock, the highclass, standard typewriter manufactured by the Woodstock Typewriter Co., Woodstock, Ill.

The typebar system, carriage and escapement wheel, the vital parts of any typewriter, are made much heavier in the Woodstock than in other machines. That is why it holds up better and why it is guaranteed for one year longer than any other modern typewriter. Used in all the principle institutions of learning in America.

Fiat Feet. Symptoms of flat foot are pain along the instep or even in the calves of the legs, knees, thighs, hips or back, often mistaken for rheumatism or other troubles. The person stands with feet well apart and toes turned outward. The ankle bends inward and the weight falls on the inner line of the foot so that the entire sole rests flat on the ground.

Keeping Fit. Man in this world is like a traveler who is always walking toward a colder region, and who is, therefore, obliged to be more active as he goes farther north. The great malady of the soul is cold, and in order to counteract this formidable illness he must keep up the activity of his mind not only by work but by contact with his fellow men and with the world.—De Toqueville.

Difference in Time. In reply to our observation that he and his son and namesake resembled each other greatly, old Bill Silvers said: "The main difference 'twixt me an' young Bill is, when I put in a day at work I don't feel much like rummin' round at nights, and when young Bill puts in a night rummin' round he don't feel much like workin' next day."—Topeka Capital.

Could She Carry Them? While I was putting my hat and coat on my little boy asked me where I was going and I told him that I was going to get seats for the circus. He said, "Mamma, can you carry them?"—Exchange.

### Is Your Money Supporting the Government?

At this critical period in our history our manufacturers are offering their mills and our young men are offering their services to the United States government. Would you like to do your share and help, by putting your money where it will support the new Federal Reserve Banking System, which the government has established to stand back of our commerce, industry and agriculture?

You can do this by opening an account with us as part of every dollar so deposited goes directly into the new system, where it will always be ready for you when wanted.
