W. B. Russell and family returned Sunday morning from points in the valley where they have been visiting for the past two weeks. They visited friends and relatives in McMinnville, spent a week at Pacific City, and started for their home at Prineville on Friday the 13th, and if you do not believe that this is an unlucky day, ask Russell.

Infinitesimal.

It's a very small part of the trouble in the world that is caused by keeping one's mouth shut.—Boston Evening Transcript.

Obsolete Word.

What has become of that good old word "earn"? Folks are "getting," are "paid" and are "making" so much a day. But nothing is said about anybody "earning" anything.—Los Angeles Times.

Terrebonne News

Mrs. Dick Wing is on the sick list. Mr. and Mrs. Snapp were in Bend Monday.

Charles Hall and brothers, who have been living at Lower Bridge, moved here into the Hamilton house.

CAMPFOL AND WITCHHAZEL

HELP WEAK EYES

Prineville people are astonished at the quick results produced by simple witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. In one case of weak and near sighted eyes a few days use brought great improvement. In another case it stopped eye pains and inflammation. We guarantee a small bottle of Lavoptik to help any case weak, strained or inflamed eyes. Aluminum eye cup free. Prineville Drug Co.

Special Friday and Saturday "ON WITH THE DANCE"

This is it. "The Big Super" that was so hard to get by the Board of Censors. Why? See it.

THE UNIVERSITY OF OREGON

—is maintained by the state in order that the young people of Oregon may receive, without cost, the benefits of a liberal education.

The University includes the College of Literature, Science and the Arts, the Graduate School, the School of Physical Education, and the professional Schools of Law, Medicine (at Portland), Architecture, Commerce, Journalism, Education and Music.

High standards of scholarship are made possible by an able faculty, well equipped laboratories and a library of nearly 100,000 volumes. Supervised athletics are encouraged and every attention given the health and welfare of the students.

With a heightened confidence gained by the recent expression of public support, the University is now entering upon an era of large development and extended usefulness.

THE HOME OF RED GOOSE SHOES

Today—Let's talk about the shoes themselves—boys and girls want nice looking shoes, mother wants shoes that will wear.

Red Goose Shoes are all that any one would want; nice looking shoes that feel good on the feet when new;—long wearing shoes that give a full amount of wear service; shoes that please the boys and girls and mother too.

If one could only see Red Goose Shoes as they are made, see them put together piece by piece, leather where leather should be, they couldn't help but feel confident that they will give the utmost in wear service.

Red Goose shoes are made in a variety of styles, broad toe Foot Culture shoes that let the little feet grow as nature intended they should—the popular Sport last for the larger girls and manish looking styles for the larger boys.
