MICHEL-CONWAY WEDDING
EVENT OF LAST WEEK

Sylvan O. Michel and Marie Estelle Conway were married in Ontario, Oregon, the morning of the 16th of this month. The bride has been making her home with her parents in that city.

The young couple went to Portland from Ontario for a short honeymoon, and arrived in Prineville Monday evening. They will be at home to their friends at the Michel residence on First street where they will reside.

The wedding was a surprise to their many friends in this city, who did not know it was to take place until after the ceremony, when the groom telegraphed the tidings.

Both the bride and groom are graduates of the local high school.

NEWLYWEDS ENTERTAINED

On account of the unexpected arrival of Mr. and Mrs. Sylvan O. Michel, recent bride and groom, their many friends in this city were not prepared to give them the fitting welcome that their return warranted.

But you can't put anything over on Prineville people. At eight o'clock Tuesday night a comfortably large band of friends met at Howard's Drug Store and proceeded to the Michel home and found the young couple informally engaged in playing cards.

Mr. and Mrs. Michel accompanied the crowd to Johnson's, where the groom treated everybody to a fine feed. No rail being available, the newly married couple were treated to a ride on a ladder through the main streets of the town.

The groom was locked up in the city jail for a short time, when he hastened to join his bride at the Wirtz home, where she was being entertained. The occasion will long be remembered by all concerned.
