

NON-PARTISAN LEAGUE GROWING IN STATE SAYS SECRETARY RICHES

A fund of \$200,000 has been donated and 125 paid workers are to be liberated in the state to put Oregon in the same position as that now occupied by North Dakota, according to Lloyd Riches, secretary of the State Editorial Association, who spoke to a small gathering of local business men in this city Tuesday evening.

The league is attempting to buy a number of local newspapers in the state, and fully realize the value of moulding public opinion in this manner, he says.

Voters should be on the alert to stamp out every attempt of this non-American sect to start their propaganda, he explained, and unless they realize and combat this evil, the con-

dition will become as it now is in North Dakota, which, in many respects, resembles a small slice of Russia.

F. J. Gallehur spoke on the dangers of the so-called four per cent interest limitation measure on the ballot next month, and said the effect of a law of this nature would be to drive out the available funds from this state, which would bankrupt every individual and every business in the state that uses borrowed funds in his operation.

The other members of the party were: Paul D. Murphey, also of Portland, and Mrs. Riches.

They left yesterday morning for Fossil in their own car.

SENIOR RECEPTION A SUCCESS

A very entertaining reception was given at the Club Hall last Saturday evening in honor of the Freshman class and new students registered at the high school. This reception was one of great originality and much amusement and will not be forgotten very soon by those who attended, especially the freshmen. The party was planned by the Seniors, assisted by Miss Orma Emmons, who is very capable in a matter like this. The Freshmen were brought in the hall one by one and received the necessary initiations in order to become a full-fledged member of the student body. The oath of allegiance was taken by every new student, which was part of the initiation. The fun gained by the on-lookers was shown by the laughter on the side lines, while the performers played their parts, unmoled.

The hall was decorated with streamers of yellow and green crepe paper, which added much to the beauty of the hall. The color scheme of yellow and green was artistically carried out in the punch and cakes which were served at the close of the evening.

Many alumni were present to enjoy the performance and a splendid time was reported by them. This is the first party of this kind given to the new students for some time and the change and originality was very much appreciated. The great success of the entertainment was made possible by the senior class, under the able management of Miss Florence Cramer, who is noted for her originality.

The evening was quickly passed by the different "plays" and delicious punch and cake closed a very enjoyable evening.

PUBLIC SCHOOL NOTES

Fair work is under full swing in all the rooms. Basket work, sewing and darning and patching are being emphasized.

The total registration is 168, and

Principal Babcock predicts it will reach 180 by next week.

The library has been opened and Miss Orma Emmons will be in charge. Library days are as follows: Fourth grade, Monday; Fifth grade, Tuesday; Sixth grade, Wednesday; Seventh grade, Thursday; and Eighth grade on Friday.

Mrs. Cull, the seventh grade teacher, is teaching basketry to the pupils of the seventh grade, which has twenty-two members, and each contribute ten cents for the buying of the raffia. The time from recess to the close of school is given to this work twice a week.

This week a large number of new pupils have enrolled throughout the school.

A football team was organized by the fifth grade and a new ball has been ordered. There is a great year ahead of the football team of the public school for they have a very promising team.

Oregon Inter-State Fair, Prineville, Oregon, October 6-7-8-9.

SUNDAY SCHOOL CENSUS TAKEN IN CITY TUESDAY

A group of workers from the four most active protestant churches of the city cooperated in the taking of a Sunday-School census on Tuesday, and every family which could be found at home was listed, their church preference and other like data taken.

Following the afternoon's work, the committee met at the Methodist Sunday school rooms, and were treated to ice cream by the male members of the committee.

LEAVES FOR COLUMBIA U.

Miss Jane C. Allen, who has been visiting her sister at Powell Butte was in Prineville Sunday, to tell her old friends goodbye, before leaving for New York, where she will attend the Columbia University this coming winter. Miss Allen has been head nurse at the Open Air Hospital near

Portland, for a number of years and has done a wonderful work along that line, and it is the interest of the hospital that takes her to New York. Miss Allen has many friends in Prineville, having taught school here for a number of years, and her splendid work in both teaching and nursing is well known here.

MERCHANTS ORGANIZE TO BENEFIT TRADE

Monday evening a local merchant's association was organized, for the purpose of securing new business and protecting their business against transient and unscrupulous parties.

A concerted effort to better conditions for the farmer and stockman, and co-operate in such a way as to lower costs of merchandise as well as improve service will be made they agreed.

Meetings will be held monthly and a secretary will be constantly on the job to care for the interests of the members.

HIGH SCHOOL NOTES

(Continued from page 1)

teria plan. A nominal sum is charged; the principal expense being in the original cost of the food. The first day 16 students were served; the following day the number was almost doubled. This is an entirely new feature and its convenience can be fully appreciated by students living in the county, who must carry their lunches.

Elizabeth Campbell, a prominent junior, has gone to Portland to attend school.

Hazel Eickemeyer, who attended Jefferson high school last year, is a member of the junior class.

Elvin Raamussen has returned to school after a year's absence.

Miss Hall has about thirty students in the first-year domestic art class.

The high school orchestra, composed of about twenty members, has been organized. Mr. Shippee is the Director; Marjorie Wilson, President; and Blanche Rowell, Secretary and Treasurer. A plan is under way to discourage absence from practice; a fine of ten cents to be imposed upon each member not present who cannot produce sufficient excuse. It is planned to have at least one concert during the year.

Up to the present time about thirty boys have signified their intention of trying for the football team. There is good material for a team, and with the coaching of Professors Medley and Platts, Crook county high will have a "crackerjack" team this fall.

Ogden Mills, captain of the football team, returned to school Wednesday. He will play as full back this season.

The first football game for this season will be played September 28, at John Day. They will play a return game here during the fall.

Mark O'Kelley is back on the football field again. Mike will be a big

help to the team, as his position is in the back field.

Of the men who have earned letters and bars in football to make up this year's team, there are: Lester Horgan, Raymond Smith, Ogden Mills, Ray Goodmiller, Mark O'Kelley. With these old players as a nucleus, a good team can be assured.

PRESBYTERIAN CHURCH

Services next Sunday. Sunday school at 10 o'clock. Divine Worship and Preaching at 11 o'clock. Service in the evening at 7:30. Prayer service every Wednesday at 7:30. A cordial invitation is extended to all.

Church Activities

Thursday—The Ladies Aid at 2:30 at the church. Hostess, Mrs. Morse. Missionary topic, China. Every woman of the church and congregation expected to be present.

Saturday—The tennis and volley ball club will give a tea in the basement of the church, from 2 to 4. If you want to contribute towards the play side of life, as well as encourage the young people, make your plans to give them a boost Saturday afternoon.

Sunday night, by the Touriscope still pictures on film will be shown. Every picture hand painted. The subject of the lecture and pictures is David the best loved Hero in Hebrew History. This will be the first time in Prineville Still pictures will be shown on film. It will be worth your while to come. Silver offering at the door when passing out.

Mission Study Class.—It will be decidedly fortunate for those who are able to "get in" as a member of this class. It will be limited to twenty. Quite a number have already expressed their desire to join. The book to be studied is The Near East Cross Roads of the World, by Hall. Meeting once a week for 8 weeks will enable us to cover the

entire book. Are you interested in the League of Nations? What are your views as to our republic assuming a mandatory over Armenia? Do you wish to think of these and other vital questions in relation to the Near East situation, then you cannot afford not to attend the meetings. Just an excerpt from the words of introduction: "The term 'Near East' as used in this book, includes Egypt, Syria, Asia Minor, Mesopotamia and Persia. It did not seem feasible to include the Balkans with it in the scope of this study and Arabia is barely touched. But who knows Arabia? It is still a terra incognita, waiting as it has waited through-out untold centuries for the coming of a new day that yet to dawn on that land of desert plains, fertile valleys and elemental races." Join now while the joining is good.

Universal Heaters for Wood

FOREST UNIVERSAL
DUPLEX UNIVERSAL
PALACE UNIVERSAL

We have a well assorted line of Wood and Coal Heaters in a variety of sizes and with or without full nickle trimmings. We call attention to the fine quality of the polished steel bodies, well protected by heavy cast linings and accurately joined to the cast top and bottom plates. These wood heaters are especially made to hold fire and special care has been given to the tight fitting of all joints, doors and dampers.

These stoves all have capacious top swing plates for feeding wood from above.

No finer line of wood heaters is sold anywhere and our constantly increasing trade is evidence of their universal satisfaction. We also carry a complete line of coal burners. Come in and look them over.
