The trip was made by way of Paulina. One of the cars developed engine trouble after leaving town a few miles, and it was brought back to be exchanged for another. Instead, however, the trouble was located and repairs made. After leavy ing town again and going about twenty miles, tire trouble was the next misfortune to overtake the car. From the Shorty Davis place to Paulina, tire repairing was the chief ocupation pursued. The first car arrived at Tom Brennan's about sundown and later returned to assist the unfortunate members to Paulina. Arriving at the I. M. Mills ranch, a was of the very best. About noon the next day snother car was secured second car, secured from N. W. Laughlin, left at 2:00 o'clock,

After roaming over the mountains and going astray several times, John Day was reached about 9 o'clock Journal and one will be mafied to that night. The boys were all very tired and worn out because of the length of time used in making the trip. Friday morning the team had a short workout before breakfast, and rested until the game. About three o'clock the game was called. After the game the boys cleaned up and looked the town over. They were extended every courtesy, and every method to show them a good time that was at hand, was used. Crook County High is under obligation to Grant County High to show them as good a time as they showed our boys over there.

On Saturday the reurn trip to Prineville was made. One car returning by way of Paulina and the other car crossed the mountains by the Mitchell route. A heavy rain in
