To find how long the full rich taste of the Real Tobacco Chew lasts.

That's why it really saves you money to use this class of tobacco instead of the ordinary kinds.

Any man who uses the Real Tobacco Chew will tell you that.

### Weather Prophets.

If it is raining and the owl screeches, a change for the better will shortly ensue, but should the peacock screech, bad weather is to come. If there is rain in the air snails may be seen to seek shelter. Only when all immediate danger of a recurrence of rain is over will they emerge.

### Odd Animal Friendships.

Sometimes a dog will adopt another animal in the oddest fashion. There was a case where a female bob-tailed sheep dog made friends with an old hen which shared its kennel. When the animal had puppies the bird brooded over them and kept them warm during the mother's absence.
