WILL CELEBRATE ARMISTICE DAY

BIG CELEBRATION PLANNED BY AMERICAN LEGION POST

National Salute, Followed by Biggest Parade in County to be Feature of Celebration

At the regular monthly meeting of Crook County Post, No. 29, American Legion held at the court house last Monday night final arrangements were made for the observance of Armistice Day—November 11. Committees were appointed to have charge of every detail, and this celebration will undoubtedly be the most successful celebration ever held in Crook county—or for that matter, in Central Oregon.

The day will be started with a national salute of 21 guns at the hour of the armistice, 11:00 a. m., which will be followed by the largest military parade ever witnessed in this city. The Jefferson County Post is to join with the local post, and will swell the uniformed line by a hundred men. Central Oregon citizens may expect to see some modern versions of squads right and east when "the boys go marching by". The formation will start at the court house, and will march on the principal streets of the city, and finally end at the court house where a patriotic program will be rendered.

At some time during the parade a signal will be given by ringing of bells, when all the city is expected to become quiet and offer silent prayer for three minutes in remembrance of the "boys" who on the high seas and in Flanders land gave their all that the heel of tyranny might not be placed on the entire world.

In the afternoon, a football game will be staged under the auspices of the Legion. The competing teams have not been announced as yet.

Beginning at 8:00 p. m., at the Club Hall, a grand ball will be staged, also under the auspices of the Legion. The best of music has been engaged for the occasion, and everyone can be assured of a splendid time.

A new set of colors, consisting of the American flag, Legion standard, and post flag, have been ordered from the east, and are expected to be here by next Thursday.

Beautiful souvenir programs will be distributed among the guests and all taking part in the celebration. These will be made possible through the liberal advertising patronage of local merchants.

All ex-service men are expected to take part in the celebration, appearing in uniform the entire day, no matter whether members of the Legion or not. The success of this event will rest with each individual ex-service man, and upon the success of the celebration this year will depend the popularity of the day next year.

Stores will close at 10:00 a. m., for the day.

Let every citizen of Crook county turn out and help make this day one long to be remembered as the second anniversary of the day upon which the democracy of the world was declared safe.

REPUBLICANS WILL CONTROL CONGRESS

Returns Indicate G. O. P. Majorities In Both House and Senate.

New York.—Senator Harding's sweep through doubtful states in the east and middle west appears to have carried with it assurances of a working majority in the next congress.

Among the states in which senatorial elections were doubtful, Harding's apparent victories in Connecticut and New Hampshire probably have carried Senators Brandegee and Moses, respectively, back to their senate seats.

In Colorado and Idaho returns indicate that Republican candidates S. D. Nicholson and Frank R. Gooding have ridden in on the Harding wave, unseating the present Democratic senators, Charles Thomas and James Nugent.

Senator Wadsworth has been re-elected from New York and former Governor Willis seems an easy victor in Ohio. Both victories were expected and mark no gains for the Republicans.

Latest returns indicate a net gain of 33 in the Republican membership of the house, with a majority that will be close to 100.

Based on returns in and the indicated trend in states where the result is not final, it appears that the house of representatives in the sixty-seventh congress will be constituted approximately as follows: Republicans, 275; Democrats, 159; Independents, 2; Prohibitionists 1. This estimate, while not final, would give the Republicans a majority of 111. The present majority of the Republicans is 39.

REPUBLICANS WIN IN IDAHO

Gooding is Chosen Over Nugent in Senate Race.

Boise, Idaho.—Senator Harding for president, Frank R. Gooding, Republican candidate for United States senator, and D. W. Davis, present Republican governor of Idaho, together with the balance of the congressional and state ticket have carried this state with pluralities running from 15,000 to 25,000 or more. Late returns, although far from complete, in the state clearly indicated this. Some of the strongest counties in the state, including Shoshone in the north, went Republican.

Republican counties went exceptionally strong for the Republican ticket. The ticket apparently elected on the returns by safe majorities follows: President, Warren G. Harding; senator, Frank R. Gooding; representatives, first district, Burton L. French, second district, Addison T. Smith.

Harding Sends Coolidge Good Wishes.

Marion, O.—At 11 o'clock Tuesday night, Senator Harding sent the following telegram to Governor Coolidge: "My heartiest congratulations over the great Republican victory to which your strength added so materially. You are to expect to play a full part in the coming Republican administration. Good wishes." To Will H. Hays, Republican national chairman, Mr. Harding telegraphed: "My gratitude along with congratulations on your capable and successful management of a great campaign."

Cox Paper Grants Defeat.

Dayton, O.—Governor Cox' newspaper, the Dayton News, issued an extra edition shortly before 1 o'clock Tuesday conceding the election of Senator Harding, the Republican candidate, as president. The governor himself said he would make no statement yet. His newspaper, however, carried the election returns under the caption, "Republican Landslide; Harding Wins."

RED CROSS ROLL CALL

(By M. W. Skipworth)

The Crook county chapter of the American Red Cross, which has been more or less dormant since the war, has sprung into life with renewed vigor. Chairman Skipworth called a meeting of the Board of Directors and executive committee Wednesday afternoon and definite plans were made for conducting the Fourth Roll Call, which begins November 11th, and ends Nov 25. Mr. Skipworth was also elected Roll Call chairman and will supervise and direct that work. Plans for a general after-the-war-clean-up work were completed, and Mrs. Ann Battles, executive secretary, will be in the Red Cross office on the second floor of the court house from 1:30 to 5 every day for the purpose of assisting ex-service men to secure compensation, travel pay, allotments, insurance and adjustment of all claims against the Government. All ex-service men and their families are urged to make use of this service.

Miss Dubuis, a field secretary from Northwestern Division in Seattle, gave an interesting and instructive outline of Red Cross peace-time activities. Mr. Skipworth urges that everyone give the coming Roll Call the widest publicity and hearty support.
