### California Land Bill Appears Law.

San Francisco.—Returns appear to indicate that the anti-alien land amendment, which has been the subject of diplomatic exchanges between the state department and Tokio, has carried.

### Harding Victor in New York City.

New York.—New York city, complete, gave Harding 785,776, Cox 345,535, Debs 131,856. In the gubernatorial race, New York city complete: Smith, 709,746; Miller, 690,135.

### Republicans Win in Delaware.

Wilmington, Del.—The Republicans apparently will carry the national and state tickets in Delaware by pluralities ranging from 3000 to 5000.

### Harding Carries Roosevelt's Town.

Hyde Park, N. Y.—Senator Harding carried Hyde Park, the home town of Franklin D. Roosevelt, Democratic vice presidential nominee, by 86 votes.

### Mississippi Democratic.

Jackson, Miss.—Democratic majorities in Mississippi were about the same proportionately as those of previous presidential years.

## HARDING IN THE LEAD IN OREGON

**Returns Indicate Race Between Chamberlain and Stanfield Is Close.**

Portland, Or.—Returns from Tuesday's election indicated conclusively that Senator Harding had carried Oregon by a vote of nearly 2 to 1 over Governor Cox. In Multnomah county, Harding's majority over Cox was not quite as large as the majorities in the up-state counties.

While in Multnomah county Harding had nearly 2 to 1 over his opponent, in the up-state counties he had better than 2 to 1.

The returns indicated a close contest for United States senator between Robert N. Stanfield and George E. Chamberlain.

R. N. STANFIELD

Republican probably elected United States Senator from Oregon

Apparently about 75 per cent of the registered vote of the state was cast. On that basis Oregon polled upwards of 235,000 votes for the republican and democratic tickets. Harding's majority over Cox may go as high as 60,000.

The anti-vaccination bill has gone down to defeat and the oleomargarine bill has been defeated by a ratio of more than 2 to 1. The compulsory voting measure has also been rejected by the people by 2 to 1, as has the state market commission bill.

Single tax has met the decided rejection by the people. The measure has been swamped by more than a two-to-one vote on the early returns, and this lead has been maintained with the additional returns from incomplete precincts.

Although the people rejected, apparently, the divided session of the legislature, they have stamped with approval the measure which extends the legislative session from 40 to 60 days. The lead in favor of this measure is such that it is improbable that later returns will upset the verdict.

### HARDING SWEEPS ILLINOIS

Small for Governor and McKinley for Senator Far Ahead.

Chicago.—Senator Harding was leading Governor Cox nearly 3 to 1 in Illinois on the face of returns. In the gubernatorial contest Len Small, Republican, who had the support of Mayor Thompson of Chicago, was leading former Senator James Hamilton Lewis, Democrat, less than 2 to 1, while William B. McKinley, Republican candidate for senator, had better than a 2-to-1 lead over Peter Waller, Democrat.

### Harding Sweeps Multnomah County.

Portland, Or.—Returns point to Harding sweeping Multnomah county by a tremendous majority. The senatorial contest in Multnomah county is close. In many precincts Chamberlain and Stanfield are running neck and neck, while in other precincts the Democratic nominee and the Republican candidate have a slight lead. It is apparent that McArthur has won over his Democratic opponent, Lovejoy, although there are precincts in which Dr. Lovejoy is leading.

### Montana Joins Republican Landslide.

Helena, Mont.—The lead taken by Republican candidates for president, governor and congress in Montana on early returns was maintained as more complete reports were received from the state. Former Senator J. M. Dixon, Republican nominee for governor, was nearly 20,000 votes ahead of B. K. Wheeler, his Democratic opponent.

### Portland Mayor Re-Elected.

Portland, Or.—Mayor Baker has been re-elected on first-choice votes, judging from the incomplete returns. His lead over all other opponents on first choice is 512 votes. City Commissioners Mann and Barbur have also been re-elected.

Harding Carries Home Precinct. Marion, O.—Senator Harding's home precinct gave Harding, 373; Cox, 76.

### Hart Leads in Pierce County.

Tacoma, Wash.—Early returns from Pierce county gave Governor Hart a big lead over Robert Bridges and Judge Black. Senator Harding led in the same ratio against Governor Cox. Senator Jones overwhelmed George F. Cotterill in the senatorial race.

Albert Johnson had a great lead in early returns over George T. Fishburne and Homer Thome for congress. The whole Republican ticket ran far ahead of the Democratic and Farmer-Labor candidates in the field.
