A LITTLE OLD WANT AD SURE GETS THE RESULTS

Is your merchant an upbuilder?

EVERYTHING else being equal, it pays Oregon people to buy from merchants who are sufficiently interested in upbuilding Oregon to push the sale of Oregon-made goods.

Is your grocer this kind of a man? Does your druggist display Oregon-made goods prominently? Does the confectioner you patronize feature Oregon sweet-meats? Do your restaurant, hardware store, jewelry store, shoe shop, furniture store, furnishings store and garage take pride in featuring, whenever they can, Oregon-made products?

The people who sell the things you need ought to get behind Oregon-made goods because they are of top notch quality and because the sale of Oregon Products means increased industrial growth. Your dealer ought to make it easy for you to buy Oregon Products. Ask him to feature them.

"for clean oil in a clean engine"

How many miles have you driven your car?

HOW many miles-- without changing engine oil?

Dirt accumulates in the oil of every engine--carbon, road dust, fine particles of metal, and gasoline that has escaped past the pistons. This dirty, diluted oil circulating through your engine causes unnecessary wear on bearing surfaces.

Have it drained out--now--and fresh oil put in the crankcase.

We can do that for you conveniently, quickly, economically--with

Modern Crankcase Cleaning Service. We use Calol Flushing Oil, the new, scientific flushing agent, which cleanses thoroughly without danger of contaminating the supply of fresh oil. And to assure correct lubrication we refill the cleaned crankcase with Zerolene of the correct grade.

Bring in your car today. Modern Crankcase Cleaning Service will give immediate better engine performance. Done regularly it will lengthen your car's useful life.
