

METHODIST EPISCOPAL CHURCH

Miss Alice Robertson, the only woman in the new congress, was chosen at the last election on a platform of "Christianity, Americanism, Republicanism, and Standpatism." She says "The Sabbath was made for man for rest, and for time to keep burning in our souls the pure flames of faith and trust, and then we should get better acquainted with our family and attend our chosen place of worship. "Though she conducted an unique system of advertising and campaigned against great odds, she refused to use the Sunday papers."

Conscientious observance of principles founded upon the revelation God has given us will yield a sturdy, dependable, citizenry which will establish a community to be sought by all having home folk.

One of the essentials of good government is a well established and well patronized church.

You will be welcomed in "OUR HOME CHURCH" at every service.
M. R. Gallaher, Pastor.

Postage stamps are being sold at the High School. The sales are conducted by a member of each class.

SPECIAL MASONIC MEETING

Prineville Lodge, No. 25, A. F. & A. M., will meet Wednesday, December 22, by special dispensation for the election of officers. There will be work in the M. M. degree, and refreshments will be served. All members and visiting brothers are urgently requested to be present.

Mrs. Harold Malson entertained the members of the younger set at a dancing party last Saturday evening at her home on First Street. The programs, honoring the members of the Junior Shumia Club present, were a feature of the evening. Each dance number represented some selection from the study program for the year.

"A Dog's Life"

"A Dog's Life" is Chaplin's first production under his million dollar contract with the First National Exhibitor's Circuit. Close to eight weeks have been required to film the story, and while it is a trifle longer than the usual two-reel subject, forty thousand feet of celluloid were used in carrying out the idea. It is the star's original creation.
