From time to time other iron planes, made in imitation of this celebrated Plane, have appeared upon the market.

These imitation planes are often put up with numbers and labels designed to make the consumer think that he is obtaining the "BAILEY" Plane.

Every Bailey Plane has the name, "BAILEY," and the number cast in the bottom, and the name, STANLEY, is stamped on each cutter.

Do not accept substitutes.

A complete line of tools and tool sharpeners is always to be found at our store---
