Bribery Always a Sin.

Bribery is a sin. It is condemned in the laws of Moses: "And thou shalt take no gift for a gift blindness the wise and perverteth the words of the righteous." These words are as true today as when they were written.—Rev. Bernard Palme.

Last Big Block of the Canadian Pacific Reserved Farm Lands

THIS announces the offering of the last big block of the Canadian Pacific Reserved Farm Lands. Until this block is disposed of, you can secure at low cost a farm home in Western Canada that will make you rich and independent. The country is ideal for mixed farming as well as grain raising. Later, the same lands can be bought only from private owners—and naturally, prices will be higher. Never again on the North American Continent will farm lands be offered at prices so low.

Your Last Big Opportunity

This block contains both fertile open prairie and rich lands in the Lloydminster and Battleford Districts of Central Alberta and Saskatchewan. You can buy farm lands on the rich prairie of Manitoba, Saskatchewan and Alberta at prices averaging about \$15 an acre. Or land in Southern Alberta under an irrigation system of unending water from 50 to 100 acres and up.

20 Years to Earn and to Pay

The Canadian Pacific offers you this land under a plan of long term, easy payments that is remarkable in the history of farm investments. You pay down 10%. Then you have no payment on the principal until the end of the fourth year, then fifteen annual payments. Interest is 5%. In Central Saskatchewan, near Wheeler grew the world's prize wheat. World's prize oats were grown at Lloydminster.

Lands Under Irrigation

In Southern Alberta, the Canadian Pacific Railway has developed the largest individual irrigation undertaking on the American Continent. This district contains some of the best lands in Canada. An unending supply of water is administered under the Canadian Government. Prices range from \$10 an acre up, on the same easy payment terms. 1000 loan in improvements. Twenty years to pay back.

No Taxes on Improvements

There's a small tax on the land— seldom more than the an acre for all purposes but there are no taxes on your live stock, buildings, improvements, implements or personal effects. Good markets, schools, hospitals, roads, churches, amusements, make farm life desirable and attractive. Here you can achieve independence.

No Sale Without Investigation

The Canadian Pacific will not sell you a land until you have inspected it. You may call— and every question answered— before taking up your home. Investigation is invited and made easy. This announcement calls attention to the last great block of Canadian Pacific Reserved Farm Lands.

Special Rates for Homeseekers

Special offers, cash for homeseekers make inspection easy. And now for free illustrated pamphlets, send for them. They contain full details about land values, average yields, climate, transportation, etc. Do not delay. Write TODAY.
