

### Is Your Money Supporting the Government?

At this critical period in our history our manufacturers are offering their mills and our young men are offering their services to the United States government. Would you like to do your share and help, by putting your money where it will support the new Federal Reserve Banking System, which the government has established to stand back of our commerce, industry and agriculture?

You can do this by opening an account with us as part of every dollar so deposited goes directly into the new system, where it will always be ready for you when wanted.

### EX-PREMIER VENIZELOS

Eleutherios Venizelos, who resigned as premier of Greece after being defeated in the recent elections.

### CHARGES AGAINST GRANGE HEAD UPHeld

Boston.—Four of the eight charges against William Bouck, master of the Washington State Grange, were sustained by vote of the national grange here. The penalty voted by the grange was an apology to be made by Bouck and a reprimand for his alleged disloyalty to the national grange and for permitting politics to be introduced at grange sessions.

The charges were brought against him by five members of the Pomona grange, No. 19, Yakima county, Washington. They were considered by the committee on claims and grievances of the national grange, which heard representatives of Bouck and of the complainants. The committee's report was submitted and its ratification brought to a close the 54th national grange assembly.

The national grange went on record as opposed to the repeal of the excess profits tax, but asking for revision of the law "to bring it up to date."

### BRIEF GENERAL NEWS

The British government has presented to the government of India 100 De Havilland and Avro airplanes.

Recent declines in the Minneapolis flour market brought quotations under \$9 a barrel, the first time in four years.

The Greek people will vote November 28 on the question of the return of ex-King Constantine to the throne. Application to issue notes and bonds totaling \$34,687,000 was received by the Interstate Commerce commission from nine railroads.

"No reduction in wages" is organized labor's ultimatum to the employers, Frank Morrison, secretary of the A. F. of L., has announced.

Immediate repeal of excess profits taxes was urged upon congress in a report presented to the 23d annual convention of the American Mining congress at Denver.

Frank K. Nebeker, of Utah, and Leslie C. Garnett, of Virginia, were given recess appointments by President Wilson as special assistants to the attorney general.

Removal from France of the body of one unidentified American soldier killed in the war for burial in a memorial crypt in Victory hall, New York city, will be asked of Secretary of War Baker and Secretary of the Navy Daniels by a committee representing the Victory Hall association.

Six Now Charged With Big Robbery. Council Bluffs, Ia.—Formal mail robbery charges were filed in federal court against the five men and one woman in custody. Investigators of the value of the government bonds and currency lost in the Burlington mail car robbery here, agree that the early estimate made by the Daily Nonpareil of \$2,500,000 is approximately correct.

England's Deal Held Recognition. Washington.—In the view of state department officials virtual de facto recognition of the Russian soviet government is extended by Great Britain in the proposed trade agreement between the two countries. A copy of the agreement has been received at the department.

Refiners Cut Sugar to \$9.50. San Francisco.—The price of refined cane sugar was cut to \$9.50 a hundredweight at the refineries here, making a reduction of 50 cents. Beet sugar dropped to \$9.30 at the refineries.

D. & R. G. Railroad Sold for \$5,000,000. Denver.—The Denver & Rio Grande railroad was bought in at public auction for \$5,000,000 by men representing the Western Pacific railroad.

U. S. Approves Plan to Aid China. Washington.—The state department has formally announced its approval of the new consortium for the financial assistance of China.

### COMMISSION ORDERS INCREASED RATES

Washington.—In its first decision on the right of the federal government under the transportation act to require railroad rates within a state to correspond to the higher levels of interstate tariffs, the interstate commerce commission ordered the railroads of New York to establish passenger and baggage rates on intrastate traffic conforming to advanced interstate schedules. Similar proceedings are pending affecting more than half the states in the union.

By its order of last August the commission authorized in the New York region an increase of 40 per cent in freight rates, 20 per cent in passenger rates, excess baggage charges and rates on milk and cream and also a surcharge of 50 per cent on Pullman accommodations. The New York public service commission granted the freight advance except on milk, but denied the other increases within the state and the carriers appealed to the interstate commerce commission.

#### Last Big Block of the Canadian Pacific Reserved Farm Lands

THIS announces the offering of the last big block of the Canadian Pacific Reserved Farm Lands. Until this block is disposed of, you can secure at low cost a farm home in Western Canada that will make you rich and independent. The country is ideal for mixed farming as well as grain growing. Later, the same lands can be bought only from private owners—and naturally, prices will be higher. Never again on the North American Continent will farm lands be offered at prices so low.

#### Your Last Big Opportunity

This block contains both fertile open prairie and park lands in the Livingston and Hamilton Districts of Central Alberta and Saskatchewan. You can buy farm lands on the rich prairie of Hamilton, Saskatchewan and Alberta at prices averaging about \$25 an acre, or land in Southern Alberta under an irrigation system of uniting water from \$20 an acre and up.

#### 20 Years to Earn and to Pay

The Canadian Pacific offers you this land under a plan of long term, easy payments that is remarkable in the history of farm investments. You pay down 10%. Then you have no payment on the principal until the end of the fourth year, then \$1000 annual payments. Interest is 6%. In Central Saskatchewan, longer Wheeler gives the world's prize wheat. World's prize oats were grown at Lloydminster.

#### Lands Under Irrigation

In Southern Alberta, the Canadian Pacific Railway has developed the largest individual irrigation undertaking on the American Continent. This district contains some of the best lands in Canada. An abundant supply of water is administered under the Canadian Government. Priced from \$20 an acre up, on the same easy payment terms. \$2000 loan in improvement. Twelve years to pay back.

#### No Taxes on Improvements

There's a small tax on the land—selected more than 200 acres for all purposes but there are no taxes on your live stock, buildings, improvements, implements or personal effects. Good markets, modern schools, roads, churches, amusements, make farms life desirable and attractive. Here you can achieve independence.

#### No Sale Without Investigation

The Canadian Pacific will not sell you a unit you have inspected. You must be satisfied—and every question answered—before taking up your loan. Investigation is invited and made easy. This announcement calls attention to the last great block of Canadian Pacific Reserved Farm Lands.

#### Special Rates for Home-seekers

Special selling rates for home-seekers make it possible to buy land on five annual payments. No down payment. No taxes. No improvements. No. 100-1000. Price 100-1000.
