Last Big Block of the Canadian Pacific Reserved Farm Lands
THIS announces the offering of the last big block of the Canadian Pacific Reserved Farm Lands. Until this block is disposed of, you can secure at low cost a first home in Western Canada that will make you rich and independent. The country is ideal for mixed farming as well as grain growing. Let us, the parent land can be bought only from private owners—and naturally, prices will be higher. Never again on the North American Continent will farm lands be offered at prices so low.
Your Last Big Opportunity
This block contains both fertile open prairie and park lands in the Lloydminster and Hatzic Districts of Central Alberta and Saskatchewan. You can buy farm lands on the rich prairie of Manitoba, Saskatchewan and Alberta at prices averaging about \$10 an acre. Or land in Southern Alberta under an irrigation system of existing water from \$10 an acre and up.
20 Years to Earn and to Pay
The Canadian Pacific offers you this land under a plan of long term, easy payments that is remarkable in the history of farm investments. You pay down \$100. Then you have no payment on the principal until the end of the fourth year, then fifteen annual payments. Interest is 5%. In Central Saskatchewan, sugar beets grow the world's price wheat. World's price oats were grown in Lloydminster.
Lands Under Irrigation
In Southern Alberta, the Canadian Pacific Railway has developed the largest individual irrigation undertaking on the American Continent. This district contains some of the best lands in Canada. An unlimited supply of water is administered under the Canadian Government. Prices range from \$60 an acre up, on the water early payment terms. 19000 lots in improvements. Twenty years to pay back.
No Taxes on Improvements
There's a small tax on the land—policies more than 200 acres for all purposes but there are no taxes on your live stock, buildings, improvements, implements or personal effects. Good markets, roads, a school, parks, churches, amusements, make farm life desirable and attractive. Here you can achieve independence.
No Sale Without Investigation
The Canadian Pacific will not sell you a land you have investigated. You must satisfy—and every question answered—before taking up your home. Investigation is invited and made easy. The announcement calls attention to the last great block of Canadian Pacific Reserved Farm Lands.
