**Last Big Block of the Canadian Pacific Reserved Farm Lands**  
 THIS announces the offering of the last big block of the Canadian Pacific Reserved Farm Lands. Until this block is disposed of, you can secure at low cost a farm home in Western Canada that will make you rich and independent. The country is ideal for mixed farming as well as grain growing. Later, the same lands can be bought any from private owners—and naturally, prices will be higher. Never again on the North American Continent will farm lands be offered at prices so low.

**Your Last Big Opportunity**  
 This block contains both fertile open prairie and park lands in the Lloydminster and Hatched Districts of Central Alberta and Saskatchewan. You can buy farm lands on the rich prairie of Manitoba, Saskatchewan and Alberta at prices averaging about \$10 an acre. Or land in Southern Alberta under an irrigation system of installing water lines \$20 an acre and up.

**20 Years to Earn and to Pay**  
 The Canadian Pacific offers you this land under a plan of long term, easy payments that is responsible in the history of farm investments. You pay down 10%. Then you have no payments on the principal until the end of the fourth year, then \$1000 annual payments. Interest is 6%. In Central Saskatchewan, Superior Wheat gave the world's price wheat. World's price also runs given in Lloydminster.

**Lands Under Irrigation**  
 In Southern Alberta, the Canadian Pacific Railway has developed the finest irrigated prairie land in the American Continent. This district contains some of the best lands in Canada. An adequate supply of water is administered under the Canadian Government. Prices range from \$5 an acre up, on the same easy payment terms. \$1000 loan in improvements. Twenty years to pay back.

**No Taxes on Improvements**  
 There's a small tax on the land—nothing more than \$10 an acre for all purposes but there are no taxes on your live stock, buildings, improvements, implements or personal effects. Good markets, modern schools, roads, churches, amusements, make farm life desirable and attractive. Here you can achieve independence.

**No Sale Without Investigation**  
 The Canadian Pacific will not sell you a land you have inspected. You may inspect—and every question answered—before taking up your home. Investigation is invited and made easy. This unprecedented sale situation in the last great block of Canadian Pacific Reserved Farm Lands.

**Special Rates for Homesteaders**  
 Special rates for homesteaders who have never owned land before. They may have about 160 acres, prairie, timber, etc. for \$1000 down.
