

### Is Your Money Supporting the Government?

At this critical period in our history our manufacturers are offering their mills and our young men are offering their services to the United States government. Would you like to do your share and help, by putting your money where it will support the new Federal Reserve Banking System, which the government has established to stand back of our commerce, industry and agriculture?

You can do this by opening an account with us as part of every dollar so deposited goes directly into the new system, where it will always be ready for you when wanted.

### "Perhaps You Don't Know" says the Good Judge

How long a little of the Real Tobacco Chew will last. Nor how much genuine chewing satisfaction the full, rich real tobacco taste will give. Ask any man who uses the Real Tobacco Chew. He will tell you that this class of tobacco will give more satisfaction—and at less cost—than the ordinary kind.

#### Quirks of Children's Minds.

A correspondent informs us that we did not quite complete our story about the little girl whose version of the national anthem was "My country tenses me." He says she followed it with "Arthur of liberty." He adds: "And a close second to this is the following quotation from the 23d Psalm by another little miss. 'Surely the good Mrs. Murphy will follow me all the days of my life.'"

#### Containers Expensive.

It is computed that from a tenth to a quarter of the cost of foodstuffs in the United States goes to pay for crates and other containers that are thrown away instead of being used a second time.—Brooklyn Eagle.

#### Oh, Much Better!

Better to have a policeman call you down than take you up, better to have him haul you out than haul you in.—Boston Transcript.

### Hard on the Ball

### But Not on the SHOES

they are Red Goose School Shoes

YOU will note a big drop in the family shoe expense if you will demand "RED GOOSE" SCHOOL SHOES

for your children. They are made with a keen appreciation of the hard service to which children's shoes are put. They meet this terrible active-boy-and-girl resistance. The "Red Goose" shoe is stamped with a trademark like that shown to the left, and there is a style for every boy and girl between the ages of 3 to 16 years—styles for dress, for work, or rough play—every one of them built of LEATHER. The name of this shoe is easy to remember, and the wear and service it gives your children and the money it saves you will not be readily forgotten. Call at our store for "Red Goose" All-Leather shoes.
