NO. 35.

PRINEVILLE TO CELEBRATE JULY 3, 4, 5 THE CROOK COUNTY IRRIGATORS HOLD A BIG MEETING

Arrangements are being made for a big celebration here in Prineville on July 3, 4 and 5. One of the big features of this jollification will be a baseball tournament with a prize purse to the winning team of \$1000. The contestants will probably be from Maupin, Condon, Redmond, Madras, Ione and other adjacent towns. Any ball team wishing to compete in this big affair should at once communicate with Robert Zevely, tournament manager, and arrange to be put in the contest.

A general old time celebration will be staged on July Fourth, and the day will be filled with music, street sports, dances, etc. Several prominent men will deliver addresses, and everything that goes to make up a genuine day of celebration will be furnished.

Everybody in this whole section of the country should arrange to be in Prineville on these three days and help to make the Prineville celebration one long to be remembered.

If you have not already inspected our great Ochocho Irrigation Project this season of merriment will be given you as the opportunity to acquaint yourself with the great work we have accomplished in this line. Prineville wants you to come and her citizens will do everything possible to make the visit an enjoyable one.

The last baseball tournament was held in Prineville in 1911 and people from a hundred miles came to see one of the most interesting tournaments ever held in Oregon and it is the plans of the committee to make this year's tournament equally as exciting. Last July Prineville defeated the Maupin team to a tune of many hundred dollars and it is the hopes of the Maupin team to get revenge this year and there is not a single doubt but the Prineville Celebrated Tournament will be the largest ever held in the Central Oregon country.

NOTICE OF DIRECTORS MEETING

The Directors of the Crook County Chamber of Commerce will hold a very important meeting on Saturday evening of this week at 7:00 P. M.

All directors are requested to be present at this meeting.

FRED HOELSCHER,

DEAN ROBBINS TALKS TO THE STUDENTS

Dean E. C. Robbins of the University of Oregon school of commerce spoke to the school Tuesday afternoon. The topic of his speech was, "Changes in the University." As Mr. Robbins' interest lies chiefly in commerce he devoted his address to the changes in the commercial field. He called attention to the fact that while the University of Oregon devoted courses to bookkeeping and stenography, yet it did not emphasize these branches. The greater part of its commercial work was the training of business executives; and three things were necessary to be successful in this line, that is, the power to think, the power of information and the power of analysis.

Mr. Robbins has been sent out by the University, as others of the teaching staff of the U. of O., for the purpose of keeping before the minds of the High School graduates the work that is being done by that institution.

Mr. C. E. Arney, Western Immigration and Industrial Agent of the Northern Pacific Railway was looking the town over Wednesday.

A NEW CLAUSE IN GENERAL LAWS

Section 1. There shall be exempt from taxation property not to exceed in taxable value \$1,000, of any honorably discharged union soldier or sailor of the Mexican war, the war of the rebellion, or the Indian wars of the state of Oregon or of the widow remaining unmarried of such soldier or sailor. It shall be the duty of every assessor annually to make a list of such soldiers, sailors or widows and return such list to the county court upon forms to be furnished by such court for that purpose, but failure upon the part of the assessor to do so shall not affect the validity of any exemption, the same to be made from the homestead of such soldier, soldier or widow, if he or she shall own a homestead of the value of such exemption otherwise out of such property as shall be designated and owned by the soldier, sailor or widow; such designation to be made either to the assessor or by writing filed with the county court on or before the first day of April, each year. The exemption herein provided shall also extend to the property of the wife of any such soldier or sailor where they are living together and occupying the same as their homestead and he has not otherwise received the benefit of this act; provided, that such exemption shall only extend to a period during which such soldier, sailor or widow of any soldier or sailor remains the owner of such property, and upon the sale thereof to any person other than those of the class included in this act, such exemption shall cease and the property shall be subject to taxation as other property.

Section 2. The beneficiary of the exemption allowed by section 1 of this shall file with the assessor a statement under oath that he is the owner of the real property on which such exemption is claimed. Such statement shall be returned by the assessor to the county court, and if no such statement be so filed, no exemption shall be allowed by the assessor.

Filed in the office of the secretary of state February 21, 1921.

LETTERS GIVEN STUDENTS

On Tuesday morning the students earning letters in various activities were given out. Letters were given to athletes in Baseball who played their first year as follows: Mark O'Kelley, Alonzo Wright, Lloyd Leuelling, Marion O'Kelley, Tom Jacobs and Chester McKenzie. Those having played two years or more were awarded bars; Robert Chambers, Captain, Raymond Smith, Lyle Laughlin, manager, and Ogden Mills. Out of this year's team, O'Kelley, Mills and Laughlin are the only ones to graduate, thus leaving a goodly number to start a team next season.

Letters were issued to tennis players also. Raymond Smith and Chester McKenzie receives letters in boys' doubles and Ogden Mills received a bar for boys' singles, this making his third year in tennis. In the girls' division Veva Bolter received a letter for girls' singles and Lela Laughlin received one for girls' doubles.

The Inland Auto Company has just received the car load of Fords promised them the first of the month. The shipment consists of a Sedan, Roadster, three touring cars and one truck, all equipped with mountables all round.

PRINEVILLE LOSES TO REDMOND 6 TO 2

Weigand's and Slicker's doubles in the fifth inning which brought in two runs apiece, gave Redmond such a lead in the game last Sunday on the home grounds that Prineville was unable to regain the lead she had in the fourth.

Young, of Madras pitched for Prineville. Although he struck out fifteen batters, Prineville was unable to hold Redmond.

The opposing team made one run in the first inning, while four innings were played before Prineville succeeded in getting a runner across the plate. In the fifth, Redmond came back with four runs in a row and Prineville was up a tree.

Playing its best, the local team was unable to annex the third game played by it this year. This fact should not discourage the fans, however, for it was almost July last year when Prineville warmed up and when it did get started victories came in a flock.

First Inning, Redmond; Lee walked; second; N. Weigand struck out; Lee took third on pass ball and scored when Delashmutt was put out, Medley to Maison, Parrot safe on error by Bechtell; P. Weigand struck out.

Prineville; Maison walked; Ireland struck out; Medley grounded out to Mitchell, whose throw to Parrot doubled Maison off second.

Second Inning, Redmond; Slicker out, Bechtell to Maison; Mitchell and Robbins struck out. Prineville; Bechtell out, Delashmutt to Mitchell; Ensley singled to right; Merchant flied out to Parrot; Post struck out.

Third Inning, Redmond; Fleming and Lee struck out; N. Weigand out Medley to Maison.

Prineville, McFarland and Young out, Delashmutt to Mitchell; Maison struck out.

Fourth Inning, Redmond; Delashmutt singled and stole second; Parrot safe on first when McFarland dropped ball on third strike, recovered ball and held it; P. Weigand struck out; Slicker popped out to Merchant; Mitchell walked, filling bases; Robbins struck out.

Prineville; Ireland grounded out to Mitchell; Medley popped out to Mitchell; Bechtell safe when his drive went between P. Weigand's legs; Bechtell stole second; Ensley doubled to right center, scoring Bechtell; Ensley took third on pass and Ensley scored while Delashmutt and Weigand waited to see if the ball would roll foul; Post out, Weigand to Mitchell.

Fifth Inning, Redmond; Fleming out for bunting on third strike that went foul; Lee singled; N. Weigand doubled scoring Lee; Delashmutt singled, scoring Weigand; Parrot safe when Young and McFarland played Alphonso and Gaston; P. Weigand struck out; Slicker doubled, scoring Delashmutt and Parrot; Mitchell struck out.

Prineville; McFarland walked; Young safe on error by Lee; Maison flied out to Fleming; McFarland put out on second; Ireland out, Parrot to Mitchell.

Sixth Inning, Redmond; Robbins and Fleming struck out; Lee safe when Post dropped his fly in center field; N. Weigand popped out to Medley.

Prineville; Medley reached second base when Slicker dropped his fly in right field, and promptly stole third; Bechtell flied out to Parrott; Medley attempted to score after the catch, was run down between third and home by six Redmond players and one umpire; Ensley safe on error by Delashmutt, Merchant safe on error by Lee; Michel batted for

CENTRAL OREGON FIELD DAY A SUCCESS

Four records were broken Saturday in the high school track and field events of the Central Oregon School day. Marks made in the events were all good. Redmond carried off the track meet with 55 points to 38 for Madras, 18 for Prineville and 10 for Bend. Burns entered a team but did not place. A record crowd witnessed the meet.

Redmond took all three first places in declamation. Deschutes won in three of four divisions in grade declamation, and ran away with the grade and midget track meet, losing only one event. The winners were Redmond took two firsts in stenography and typewriting. Bend one and Prineville one. Tennis results were evenly divided between Culver, Redmond Madras and Prineville, each taking a first in the high school divisions.

Redmond's victory in track and field sports is the fourth that school has won during the nine years that the tri-county meet has been held.

The individual point record was won by R. Young of Madras, with 29 points to 25 for Gillette of Redmond, his nearest competitor. Gillette broke two records to Young's one.

Summary—High Schools
50 yards—Gillette, Redmond; R. Young, Madras, Rannels, Prineville. Time, 6 seconds.

FIRST PROGRAM OF MUSIC CLUB

The first musical given by the Music Club of the high school in the Methodist Church was considered as a success. In spite of the rain, a very good crowd was present, nearly filling the church.

As the last few weeks have been very busy ones for the students and teachers, not much time could be devoted to practicing for this musical, consequently nothing elaborate was prepared. Only a nominal admission was charged, and the Club has at least made a start for next year, as there will be a small fund in the treasury next year there will be an incentive to work harder to put on a better musical and more interest will be taken.

The success of the musical given last Monday night was due to a great extent to the efforts of Miss Cramer and Mr. Shippee of the faculty, and especially to Mr. W. P. Hershey who assisted in the vocal work. Mr. Hershey also donated the music that he furnished for this night to the club as its permanent property. The program was as follows:

Selection—War Heroes.

PRINEVILLE GOES TO ANTELOPE SUNDAY

Next Sunday, the town team will journey to Antelope to play there at two o'clock in the afternoon.

Antelope has one of the best teams in Central Oregon, and a fast game is expected.

Prineville's line-up will remain the same as it was last Sunday.

A return game will be played here a week later, May 29th.

A NEW SERVICE FOR AUTOMOBILE OWNERS

The manufacturers of Valvoline oils have issued a letter to the auto owners hereabouts notifying them of the opportunity of having their crank cases cleaned out and refilled with their oil at no cost to them.

Other than paying for the new oil necessary to fill the crank case, this offer of free service will undoubtedly be taken advantage of by all receiving the letter, as they not only get good oil at the regular price but have their motor drained and cleaned without cost to them.

The Service Motor Sales is the firm designated as the authorized concern to handle this service.

A very enthusiastic meeting of the Crook County Irrigators was held last Tuesday evening at the Legion Hall. The meeting was attended by a large number of ranchers from all over this section in addition to practically the entire business fraternity.

To start things off right, General First Cutting instructed all in the manual of shovels and formations which would be used in marching. A regular burrah time was had, and the entire attendance harked back to good old boyhood days and did everything but play marbles and go barefoot.

Next Monday evening at 7:30 another meeting will be held at the same place, and it is desired that everybody be on hand promptly armed with their shovels to perfect the drill for the big demonstration to be pulled off at Portland during the Rose Festival.

As the railroads are to allow no special rates to the Irrigators during the Rose Festival, the following firms are arranging to take cars from Prineville, and ask that all who are intending to go to Portland see them and learn of the very reasonable round trip auto fare they will be able to offer, and get listed for a ride. They are now making reservations. R. W. Douglas, at the Inland Auto Co., Millard Elkins at the Elkins Motor Sales and G. A. Holmes at the Service Motor Sales. Don't forget the password; "Let's Go!"

THE H. S. CONTEST WELL ATTENDED

The Crook County High School Declamatory Contest which was held in the Baptist Church, May 13, was a victory for the Alpha Literary Society.

This contest was also a try-out to determine what students should represent the high school at the field meet at Redmond, May 14th. In other years this try-out was held a month or so before the final event took place, as a result, the students who won out in the try-out, found it necessary to continue a lengthy and uninteresting training, with the danger of becoming too mechanical in their delivery.

Those taking first places are as follows: Oratorical division, Fred Houston, Ochocoian, "The Greatest Battle Ever Won." Dramatic, Mabel Polk, Alpha, "Mother Love." Humorous, Marjorie Wilson, Alpha, "Hey Rube."

A vocal Solo was given by Lulu Allen and an instrumental duet by Flora Edwards and Vera Dunham.

RESTAURANT REOPENED IN CURTIS BLOCK

Jack Curtis has returned from Stockton, California and has reopened the restaurant formerly operated by Reblan.

Mr. Curtis is well known around Prineville, as he is the owner of the two buildings in which the restaurant and pool hall are located, and has run a restaurant for a number of years in this town.

Mr. Curtis has opened the restaurant for operation again after it has been closed for nearly three months, and he will be glad to greet his old customers as well as new ones.
