

# TO COMPANY

Have you ever realized that the Fordson is being used here in the West for lifting water at least 25 feet for irrigation, for use with threshers, for plowing, for running sawmills, operating silo fillers, as logging road locomotives, in making roads; in fact, wherever much power is needed.

## Our Business Welfare Depends on You

We know we cannot GET unless we GIVE.  
We wonder if you know how well we really try to serve you.  
Take your Tires for instance:  
We sell you the best tires we know of—

### GOODYEAR---Of course

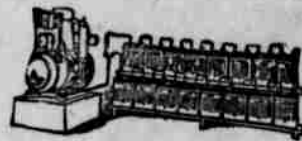

Then we show you, by advice and actual assistance, just how to take care of your tires, so they will yield to you the last mile built into them.

We GIVE you this valuable and Expert Service because we know it will GET us both the most satisfaction in the end.  
The Price and Quality will suit you.

The Peak of Tube Perfection  
Goodyear Heavy Tourist
