### ANTELOPE TRIMS PRINEVILLE TO THE TUNE OF 11 TO 4

Taking the lead in the very first frame with four runs to their credit and in the third inning, six more, Antelope succeeded in shutting Prineville out for six innings. In the second game between the two teams. Errors on the part of Prineville were responsible for the scores made by the visitors. Prineville's defeat was also due to the splendid fielding of the Antelope outfield, especially on the part of Steele. Although Prineville hit Rooper a number of times, yet the Antelope fielders had a knack of being wherever

has overcome the commonest causes of tire trouble

## NUMBER 12

Michelin perfect-fitting tubes minimize pinching. Every motorist is familiar with the danger of pinching inner tubes between the bead and the rim when fitting straight tubes in round casings. You really can't fit a square peg in a round hole. Michelin Tubes, however, are circular or ring-shaped like the casing itself, so they fit easily and naturally and there is little danger of pinching. Yet Michelin Tubes cost no more than ordinary makes. Let us quote you on these superior tubes.
