COUNTY OFFICIAL PAPER OF CROOK COUNTY

FOR ALL CENTRAL OREGON

CITY OFFICIAL PAPER FOR CITY OF PRINEVILLE

VOLUME XXV.

PRINEVILLE, CROOK COUNTY, OREGON THURSDAY, JUNE 30, 1921

NO. 41

## BANK WILL SUPPLY COWS AND HOGS BASEBALL TOURNAMENT, SPORTS, SPEAKING JULY 3-4-5

Milk cows of proven worth and the sows of one of the best known standard breeds, registered broods are to be supplied the farmers throughout the county by the Bank of Prineville, according to the announcement of J. L. Karnopp, its president, today.

While the plan is not announced in detail, a minimum payment only is to be required of the farmers, and a showing that sufficient provision in the way of hay, pasturage and shelter, all of which should be met by men on the irrigation projects, is to be the only requirements it is said.

In the opinion of the directors of the Bank of Prineville, the future of the O hoco Project with its 22,000 acres of irrigated lands, depend very largely upon whether it can be settled by ranchers who own from forty to eighty acres of land. It is unreasonable to think at this time that any man can make a living by raising alfalfa at the present prices.

We believe irrigated land in the Prineville territory is particularly well adaptable to the dairy business. How can a rancher fare better than to have from five to twelve cows and receive a milk check each month with which to pay his grocery and other expense bills.

The Bank of Prineville is ready to stand shoulder to shoulder with the dairyman and assist him financially to secure cows providing of course the Banks requirements can be met. Arrangements have been made with County Agent Tucker to select the cows, in company with professor Pitts, of Oregon Agricultural College, who has pledged his services for the enterprise. The cows will be delivered to the farmers at actual cost, which will perhaps be from \$85 to \$100.

Mr. Karnopp says he is interested in seeing a large number of cows in herds of five or six, placed during the remaining six months of the year, and believes that the venture is one of the most important ones that could be undertaken for the farmers, and he wishes all who are interested to call at the bank as soon as possible and sign applications for the cows and hogs.

### IRRIGATORS, LEND ME YOUR EARS!

Irrigators, you have accomplished much.

In the Battle of the Rose Festival, you have justified that which Crook County expected from your Intrepidity.

You have covered yourselves with Eternal Glory.

But more remains for you to do. It is for the Crook County Irrigators to show to the People of Crook County the fruits of Victory.

THEREFORE, I, ALFALFA REX, by the Grace of Votes, King of The Irrigators, do hereby ordain that on the Fourth Day of the Seventh Month in the First Year of Our Reign, all LOYAL SUBJECTS shall assemble, in full uniform, at the City of Prineville to assist in showing the fruits of our Glorious Victory and Celebrate the One Hundred and Forty-sixth Anniversary of the Independence of The United States of America.

#### ALFALFA REX

Attested on this twenty-second day of the Sixth Month of the First Year of the Reign of His Majesty, Alfalfa Rex King of the Irrigators.

#### BARON STOCK YARDS

Meet at Legion Hall at 9:30 A. M., where line of march will form.

Ladies rest rooms have been provided for the celebration on July 3, 4 and 5 at the Ladies Annex and the Service Motor Sales garage.

### FISHING GOOD IN EAST LAKE NOW

A party composed of J. L. McDaniel, E. E. Evans and Wm. Peterson returned yesterday from East Lake, where they spent two days trolling for rainbow trout.

They returned with 40, none less than sixteen inches in length and some well toward three feet, all caught with the trolling spoon, baited with fish gills.

The fish were dressed, brought to Prineville packed in ice and snow on the running boards of the car, and photographs taken to prove to future generations that the story is true.

The fish were very good, we have first hand information.

### JOURNAL TO GET NEWS OF FIGHT

By special arrangement the news of the big prize fight which is to be held Saturday afternoon, will be received in Prineville and Bend by the cooperation of the Journal and the Bend Bulletin.

The news will come into Prineville, round for round, as the fight progresses, and will be on bulletins in front of the Journal office.

The latest dope is to the effect that the main bout will start at about five o'clock eastern time, which is about two o'clock here, and the first bulletin should come about 2:30.

### SUPREME COURT AFFIRMS DUFFY

In the case of A. M. Logan and Fisher C. Logan, doing business under the name of Logan Brothers, plaintiffs, versus R. B. Cross, defendant, the Supreme Court at Salem affirmed the judgment of Judge T. E. J. Duffy, on Tuesday, June 28.

Logan brother bought two hundred tons of hay from R. B. Cross in January, 1920 and claimed that it was not all delivered to them. They then brought suit against Cross thru their attorneys, Jay H. Upton and Willard H. Wirtz on the grounds of non-performance of contract.

The case was decided for Logan Brothers in the Circuit Court and was appealed to the Supreme Court by the defendant, where the judgment was sustained.

### SKIPWORTH OFF FOR LEGION MEET

M. W. Skipworth left this city Wednesday for Bend where he joined members of the American Legion Post there who were on their way to The Third Annual State Convention of the American Legion of Oregon, and the First State Convention of its Woman's Auxillary, which meets in the Armory at Eugene, Oregon on July 1st and 2d.

The Legion representatives from Bend are planning to make the trip by autos and are taking the McKenzie Pass route. They will start Thursday morning.

Mr. Skipworth and Donald M. Gram, who is now in Portland, are the two representatives from Prineville.

Delegates from over a hundred posts of the Legion will be on hand at Eugene, and questions of national and western interest will be taken up.

### FOREST SERVICE NEWS IN BRIEF

Ranger E. W. (Cy) Donnelly, accompanied by Cy Kimmell, went to Bear Valley on the Malheur Forest on Wednesday, June 22, and took over from the Malheur an almost new Nash-Quad truck of the two-ton type, and brought it to Prineville on the following day. The truck was loaded with gasoline and supplies of every description and taken to the Snow Mountain district, where it will be used in connection with the new road through the Forest between Suplee and Burns. It is expected that the truck will work fine for use in pulling a road drag.

W. B. Bennett has taken up work with the Forest Service again and is now helping Lee Blevins and J. E. Wilson finish the road up Summit Prairie hill.

John Dobry and Jack Ireland are doing some work on the road up to Lookout Mountain, and it is expected that this road will soon be in shape so that the venturesome motorists may climb to the summit of the mountain if they desire.

Word was phoned into the supervisor's office from Mill Creek road camp June 27 that in some way the saddle and pack horses belonging to Ranger J. O. F. Anderson had eaten some poisoned oats that had been kept in camp for rodent poisoning, and that his saddle horse had died within a few minutes. Word was received that the other two animals would probably recover.

Ranger C. F. Congleton spent a couple of days in the office of the supervisor last week going over grazing and fire plans and the like for the present season.

Ranger C. W. Goodnight came in from Maury station Tuesday suffering considerably from an ulcerated tooth.

A rather perplexing problem confronts the sheep men who are trailing to the Cascade mountains. It appears that certain bands of sheep infested with scabies have crossed and trailed over the range between Powell Butte and Benjamin Lake, making it impossible for clean sheep to get from the Prineville section to the Cascade mountains without crossing the infested area unless they trail through the lane by way of Redmond. This means that the sheep must be dipped under the supervision of an inspector before they enter the mountains, or else take the road as mentioned. It is understood that the sheep belonging to S. W. Yancy, Ralph Proffly and possibly T. H. Brennan, will be dipped in a vat to be constructed at Crescent.

### IRRIGATORS SEND ENVOY TO OLCOTT

Traveling by air, Dr. J. H. Rosenberg, Prince Chittum Bark, Prime Minister for Crook County Irrigators will drop in on Governor Olcott this afternoon. Via the airplane route, with a special message to the executive.

While the contents of the message are not public, it is said that the governor is being tendered the appointment of Prince of the Airplane of the Crook County Irrigators, and with it a special message to be in attendance at the Oregon Inter State Fair in this city the first week in October.

### PRINEVILLE TAKES ANOTHER VICTORY

Last Sunday afternoon, the Prineville nine showed real class when the team defeated Madras 8 to 1.

With Tetherow on the mound and allowing only two hits, Prineville's bunch treated the local fans to its first victory on the home lot. Madras won its only score in the first inning, and after that victory was hopeless with half the team on its way to the hospital and the other half none too optimistic as to when it would be led to the slaughter. It was an unlucky day for Madras. The first man up to bat was hit by the first ball delivered, and a short time later another man was taken out because of injuries.

Now that Prineville has won from one of the best teams in Central Oregon, and also is assured of having Tetherow pitch, considering that he pitched a no-hit no run game against Bend, the fans are taking keen interest in the coming tournament and the local team has won the support of the fans who are looking forward to a big showing against the visiting teams.

### COUNTY CHAMBER TO SECURE SETTLERS

Plans for the securing of actual settlers on the irrigated lands of Crook county are being worked out by the County Chamber of Commerce, according to Secretary W. B. Tucker. All land owners who have irrigated tracts for sale are requested to give the information to the secretary at his office in the court house.

### STREET IMPROVEMENT BEING MADE TODAY

Wednesday afternoon two of the County trucks hauled gravel on the main street, and Thursday morning saw the adjoining property owners lined up along the thoroughfare busily raking the larger rocks to one side where they could be hauled away.

The work was done under the supervision of C. W. Woodruff. At first the plan was to put a substantial surface on the road, but owing to the expensiveness of this course, the idea was abandoned for the present, and only sufficient work to get the street in shape for the celebration was all that was put on it.

### MOWING MACHINE CUTS FINGERS OFF

Willie Carey, employed at the Harold Baldwin ranch, was seriously injured when his team with which he was mowing, ran away and threw him into the cutting bar of the machine. Three fingers were severed from his left hand.

#### WONDERLY—FULLER

Wendell E. Fuller and Edythe L. Wondery were married Monday evening by Reverend Gallaher at the Methodist parsonage. The ceremony was performed in the presence of the bride's mother and sister.

Mr. and Mrs. Fuller will make their home on the James Prose ranch on Dry Creek.

### RECEPTION IN HONOR OF PASTORS WIFE

Wednesday afternoon, at the home of Mrs. W. I. Dishman, an informal reception was given in honor of Mrs. William O. Teninty, wife of the pastor of the Presbyterian church. All the ladies of the city were invited and over a hundred guests were present. A special musical program was rendered as follows:

Mrs. E. C. Bergh.....Vocal Solo  
Mrs. O. G. Adams.....Vocal Solo  
Mrs. C. M. Elkins.....Vocal Solo  
Mrs. Chas. S. Edwards. Violin Solo  
Miss Flora Edwards.....Violin Solo  
Miss Ethel Conway.....Piano Solo  
Mrs R. W. Douglas.....Piano Solo  
Miss Blanche Shipp.....Piano Solo  
Refreshments, consisting of crushed strawberries and wafers, were served.

The reception was given under the auspices of the Ladies Aid of the Presbyterian church.

### PRINEVILLE-LAKEVIEW HIGHWAY IS LIKELY

According to the Oregonian this morning, the state highway commission will build a highway from the mouth of Bear Creek, connecting with the present Crooked River highway, to Millican, connecting there with the Bend-Burns highway, with a view of going south to Lakeview for an all year connection with California points.

This includes the graveling of the Crooked River highway and the commission states that it believes such a connection would be an all year road through the state to the southern country.

The commission is letting contracts for the construction of bridges across Mill Creek and Marks Creek on the Ochoco highway.

This construction is progressing rapidly, the grading on the east end of the road being well advanced, and the distance around the Ochoco reservoir is well opened up and much of the way the highway is completed ready for graveling.

This highway will make traffic between Prineville and the Mitchell county much easier, and will mean much to the people of that community and those in the east end of the county, in addition to being a valuable link in the east and west state highway.

### NEWS NOTES ABOUT ALFALFA PEOPLE

Mr. and Mrs. Charley Johnson visited at the Brant home Sunday.

Mrs. J. N. Crow and daughter Lora are at their ranch home, after several weeks in Bend.

Mrs. Gilkey left Tuesday evening for Portland, having been called to the bedside of her mother who is seriously ill.

Mrs. Albert Shults and daughter, Verna, entertained the Jolly Neighbors Thursday. There were 26 women and children present.

Mr. and Mrs. Curt Muller and children, of Bend, attended the annual school meeting in Alfalfa Monday.

Miss Rae Leonard is spending the week with relatives in Bend.

Clarence Mertsching of Prineville, was visiting relatives and friends in Alfalfa last week. He graduated from C. C. H. S. this year.

The baseball tournament opens

Sunday, July 3d, with Prineville playing the fast Antelope team. In the past games this season these two teams have divided honors, each winning one game. The Wasco County boys have a fine record this year, having defeated Maupin, Grass Valley, Prineville, Bend and Madras. The game Sunday, will be a hummer as both teams are old rivals and they are going strong at the present time. Antelope won from Maupin who has lost but one game in nineteen played this year.

Dugan Rooper, the "Christy Mathewson" of Central Oregon will be on the mound for Antelope, while opposing him for Prineville will be Jess Tetherow, Prineville's iron man, an old time favorite with the Central Oregon fans.

On the Fourth, the Portland team and Maupin will have the field. Following is an account published in the Oregonian last Monday: "Portland Woolen Mills team batted its way to a 12 to 1 win over the American Express aggregation. Larson of the winners allowed but three hits. He got a home run and a two-bagger himself. Davis made a home run with two on in the eighth. Battery for Portland, Larson and Poff."

Maupin team is made up of a very strong aggregation. It will be remembered that this team was defeated by the Prineville nine last year during a similar celebration by a score of 3 to 2.

On the third day of the celebration, July 5th, the two losing teams will play in the morning and the two winning teams will play in the afternoon. The team taking first place will walk off with the purse.

In addition to the baseball tournament, will be other events, as interesting as well as exciting, in the way of street events in which both young and old can participate. One of the principle events to take place on the street is the parade, which is scheduled for July Fourth. The participants will assemble at 9:30 and the parade will start from the Legion Hall.

Sunday morning at 11 o'clock at the Ball Park, an open air service will be held and Rev. M. R. Gallaher will deliver the sermon, "The Nation's Obedience to Faith." A special choir will furnish the music.

Following the parade on the 4th, an address will be delivered by the speaker of the day, Rev. J. Edgar Purdy of Bend.

At noon on the Fourth, a barbecue, in charge of H. W. Kelley and J. W. Horgan, will be held near the City Park. Everyone is invited to take their lunch to the park, as there is plenty of shade and a clean place to spread the feed. A number of new benches were installed by the Mayor and Councilmen, which will prove to be very convenient. The Celebration Committee will serve barbecued beef, coffee and pickles, and the people are requested to bring only the trimmings to finish the feed, and cups if they want coffee.

Monday and Tuesday evenings, the crowds can find entertainment at the show or at the Legion Hall, where a jitney dance will be given. The Johnson Creek jazz orchestra will furnish the music.

### MAKES FAST DRIVE FROM OAKLAND CAL

Mrs. P. B. Poindexter, son Vernon and daughter Cora arrived in town the first of the week from Oakland, California, where they spent the winter. They drove from Oakland to Prineville in 36 hours running time, and report the roads excellent.
