RETIRING RETAILERS

ONE OF PORTLAND'S FOREMOST
ESTABLISHMENTS TO BE
DISCONTINUED.

Demands for Rent 20 Per Cent
Higher Than in San Francisco
(Before the Fire) and 33 Per Cent
Higher Than in Seattle, Makes
Continuance Impossible. Entire
Stock of Fine Pianos, Pipe and
Reed Organs, Pianolas, Music
Rolls, Cabinets, Furniture and
Fixtures, Safes, Typewriters, Car-
pets, etc., etc., to be Closed Out.
Sale Commences Tuesday Morn-
ing.

Owing to the unreasonable de-
mands of a frenzied landlord, Eilers
Piano House has reluctantly decided
to abandon the retail piano and
organ business in Portland. Con-
tinuance would mean the payment
of practically the entire earnings of
our retail business for rent, nor
would it even then secure the ur-
gently needed alterations and re-
pairs that the growth of our busi-
ness has made necessary. The
owners arrogantly refuse to make
them, and we cannot afford to un-
dertake them for the reason that
they will not enter into a lease
except from month to month.

Thus it is that Eilers Piano
House is compelled to retire from
the retail field, and as possession of
the premises is to be delivered up
on May 31 next, the entire stock of
goods, the finest, the most extensive
and the most complete in the Uni-
ted States, must be disposed of be-
fore that date. There are but 13
days in which to accomplish this.
Beginning Tuesday morning, day
and night, till closed out, every
instrument and chattel in stock will
be offered for sale at prices that
will find immediate takers. It's
not a question of profit, or even of
realizing cost. We're retiring from
the retail business, and cannot get
out any too quickly. Not until the
doors open Tuesday morning will
the public know what a really great
event this is. No combination of
circumstances has ever brought
piano prices so low as will appear
on our price tags Tuesday morning.

We fully realize that only the
most extraordinary inducements will
move so many pianos at this time
of year. But they will move. We
unhesitatingly predict that this
closing-out sale will mean the
greatest sale of fine pianos ever wit-
nessed in the United States. Think
the choicest of brand-new upright
pianos, in fancy oak, or mottled
mahogany, or in elegant walnut
cases, reliable New York makes,
for \$150, \$138 and even less; \$325
styles \$182, \$187 and \$190! Reg-
ular \$450 style for \$268, \$253,
etc., and several exceptionally fancy
ones for \$273, \$314 and \$327.

Reliable used pianos at as little
as \$35, \$45, \$55; fine uprights at
\$80, \$118, \$135, etc., and no ad-
vance in price when easy terms,
\$15, \$20 or \$25 down and \$5, \$8,
or \$10 a month are desired.

Persons living at a distance may
safely purchase by correspondence
or telephone, as we agree to pay
freight both ways on any piano
that does not prove entirely sat-
isfactory. But very prompt attention
will be necessary to secure choice.

Requests by wire to hold certain
styles till letter can arrive will be
honored 36 hours only.

Since all prices are based on ac-
tual cash cost of the goods, those
taking advantage of easy-payment
plan will pay interest on deferred
payments at 8 per cent per annum.

Every piano or organ, or pianola,
or self-playing piano will be accom-
panied by the respective maker's
unconditional guarantee, duly coun-
tersigned by us, thus making the
purchase absolutely secure in his
purchase.

There will be instruments for
all. Baby grands and parlor grands
usually costing \$900 and \$1000, fan-
cy \$650 and \$700 uprights, and
others worth \$500, \$400, \$300,
\$250; pianolas, pianola-pianos, or-
chestrelles and music. Organs
from \$10 to \$116.

Oregonian premium talking ma-
chine subscribers' records will be
furnished from a down-town office.
Aeolian and pianola library sub-
scribers will also be taken care of
at the same place, to be announced
later.

Every contract or undertaking
entered into by Eilers Piano House
will be carried out to the letter.
Annual tuning contracts will be

looked after by our wholesale de-
partment.

This sale, as above, will com-
mence Tuesday morning, May 15,
at 8 o'clock, and if every reader
could but realize the exact situation
as it is, nothing would be left for
sale by Saturday night. Store will
be open day and evening till sale is
over. Eilers Piano House, largest
and most responsible Western deal-
ers, 351 Washington street.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years J.
B. Massey, of 3322 Clinton street,
Minneapolis, Minn., was tortured
by sciatica. The pain and suffer-
ing which he endured during this
time is beyond comprehension.
Nothing gave him any permanent
relief until he used Chamberlain's
Pain Balm. One application of
that liniment relieved the pain and
made sleep and rest possible, and
less than has effected a permanent
cure. If troubled with sciatica or
rheumatism why not try a 25 cent
bottle of Pain Balm and see for
yourself how quickly it relieves the
pain. For sale by Jackson's Phar-
macy.

A dead man brought to life will

manner of escape in Bickner's Hall,
