COOL BREEZES ON HOT DAYS.

No matter how sultry or uncomfortable the day, an ELEC-TRIC FAN will insure comfort for the business man at his desk, for his employes at their work, for the customers in his store, and for the entire household at his home.

The cost for all this SUMMER COMFORT is a mere trifle. A 16-inch fan can be operated at a cost not to exceed one cent an hour, and a 12-inch fan can be run for even less. Think of ten hours of solid comfort for less than ten cents.

Keep your store cool and breezy and your customers will find shopping a pleasure, and your store an inviting place in which to linger. ELECTRIC FANS will increase your business, whether it be a restaurant, an ice cream parlor, a dry goods emporium or an iron foundry.

We have fans of all kinds, ali styles, suitable for every pur-

pose. Don't delay-order your fan TO-DAY.

ELECTRIC LIGHT and the ELECTRIC FAN make a strong combination for summer comfort.

CHANGES HANDS

New St. Johns Hotel Now Owned by Cochran Bros.

Since our last issue a deal has been consumated whereby the new St. Johns Hotel, one of the finest properties in the state, passed into he hands of Samuel and Thos.

The hotel, though opened only a few months ago, has a reputation for accomodations that is second to none in the west.

The purchase includes the hotel property and that of the livery stable on the adjoining lot, giving Messrs. Cochran a plat of ground 100x100 feet. This ground situated right in the heart of the city is one of the most valuable blocks in the peninsula.

The hotel will be in charge of Major Nutting, who is an experienced man in this particular line. The hotel, especially the grill room. French Block will be kept up to the usual high standard that has made it famous.

The price paid for the property is said to have been \$20,000.
