

WE ARE STILL SELLING STOVES!

Our first shipment of 65 heating stoves is exhausted, except a few odd sizes, while in some styles—notably, our "Cheerful" line—we have in the third shipment since the heater season has opened. This same "Cheerful" heater is the best wood stove in St. Johns; has heavy cast bottom and sectional cast lining, spark shield over damper; large, close fitting door provided with smoke curtain that prevents smoke from issuing into the room when fuel is put in.

Our line of Crown and Cascade Ranges, all made by Niagara Stove Co., Buffalo, are going out so fast we can scarcely keep a line of samples on our floor. They are winners. Let us show them to you and give you prices.

Let us sell you a wire door mat. Easy to clean and will last a lifetime.

Full line of paints, oils, all kinds of inside varnishes, etc. In fact, our stock includes everything found in a first-class hardware store.

MAKE SALESMEN OF YOUR WINDOWS AFTER DARK

A store may shut its doors at sunset, but if its show windows are Electric Lighted and attractively dressed they are doing as effective soliciting for the next day's business as a corps of sales people.

Up-to-date stores nowadays consider window lighting a necessity, whether they remain open after dark or not. Competition forces modern methods. Is your store "SHUT UP" after sunset in the old style or in the new?

There is no known illuminant which will light a shop window as effectively, handsomely and satisfactorily as Electric Light. Fabrics are shown in their true colors and every little detail is brought out in true proportion to its surroundings.

If your window is not Electrically Lighted you are throwing away chances for increasing your business only measured by the number of people that pass your store after dark.

Based on our new scale of Reduced Rates for current on Meter basis, Electric Light is not an expense—it is an ECONOMY.

OBITUARY.

Of J. C. Scott, one of St. Johns Pioneer Residents.

J. C. Scott, one of St. Johns first citizens and a prominent resident, passed quietly away at his home in this city Sunday morning, Nov. 24, after a lingering illness of typhoid fever.

Mr. Scott was a man greatly respected in the community, and as a testimonial of esteem in which he was held the greater part of the business houses were closed during the funeral obsequies, which took place Monday afternoon from the home. Born in Lincoln, Neb., deceased came to St. Johns many years ago. He was the first man to build and make improvements on the hill above the water front. He was one of the founders of the water works here and a member of the first school board in district No. 2. He had long been a member of the Adventist church and was a faithful Christian. A widow, three sons, and one daughter survive, the sons being Verne C. of Portland; Vinton at home, and Will, a medical student at Salem. The daughter Miss Kate, resides at home. Deceased was aged 55 years.

RESOLUTIONS OF RESPECT.

Whereas, the great Ruler of the Universe has in his infinite wisdom removed from our midst our worthy and esteemed fellow laborer, James Crittenden Scott, and

Whereas, the intimate relations and deep interest shown by him in the work of the Woman's Christian Temperance Union, and his firm stand on the side of temperance make it fitting that we record our appreciation of him, therefore, be it

Resolved, that the ability and wisdom which he has exercised in the furtherance of the temperance work, by counsel, service and funds will be held in grateful remembrance

Resolved, that the sudden removal of such a man from St. Johns, who has been a public benefactor all the years he has lived here, leaves a vacancy and shadow that will be deeply realized by all his friends, and will prove a great loss to this city and the public.

Resolved, that with deep sympathy for the afflicted relatives and friends of the deceased we express an earnest hope that even so great a bereavement may be over-ruled for their highest good.

Resolved, that a copy of these resolutions be sent to the bereaved family, a copy published, and a copy inserted in the minutes.

The above resolutions were presented by the ladies of Deborah Livingstone Union of St. Johns.
