THE LIGHT THAT'S BRIGHT

ELECTRIC LIGHT is pre-eminently the light of happy content. It dispels gloom, dinginess and discouragement. Light homes make light hearts.

ELECTRIC LIGHT is practical light—a light that is at once clean, convenient and economical. At the prevailing rates for current on meter basis, it is well within the means of all, and when used sensibly—economically—electric light is as cheap as it is good.

Do not Crowd the Season.

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sunshine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale by St. Johns Drug Store.

Figure Up!

GET A PIECE OF PAPER AND SIT DOWN AND figure up how long it will take lots that are selling at \$40, \$50, \$60, \$80 and \$100 each, and within a half mile of St. Johns, to double in value.

Call to mind the fact that barely a little over five years ago lots in St. Johns were selling at the same prices, and that blocks that are now worth from \$50,000 to \$100,000 sold for \$500 each.

Then ask yourself why a small investment in the

Lots at Linnton!

would not be a good way to double your money in a short time. There is plenty of deep water frontage on the opposite bank of the river. This means more industries. Do you see the point?

The new turpentine and alcohol plant is going up. Other industries will soon follow. This will cause the price of real estate to advance. Better get in now while prices are low. They will advance in the near future. It will cost nothing to investigate. Let us show you. Ten per cent down and \$5 per month.
