of the street committee, last Sat-

could be seen. On Monday he no-  
tified all business houses that they  
would be required to keep the street  
in front of their places of business  
clear of all papers and other rub-

tidy condition.

had left the city another brother,  
J. T. King, who had not been seen  
by either of the others for over  
twenty years, arrived unannounced,  
expecting to have an enjoyable visit

to W. G. Shellenbarger the lots on  
the corner of Jersey and Trumbull  
streets, known as the Stratton prop-  
erty, for \$8500. Mr. Downey sold  
this property about three months  
ago for \$6000. This sale demon-  
strates the fact that there is more  
money to be made in St. Johns real  
estate than ever, only that it takes  
a trifle more coin to handle it than  
it did a couple of years ago.

There are very few persons in  
the city who have any idea of the  
amount of city money Treasurer  
Geo. M. Hall has handled since he  
went into office about thirteen  
months ago. While the exact fig-  
ures cannot be reached Mr. Hall  
says the amount is between \$60,000  
and \$70,000. This means that the  
city has expended about \$5000 per  
month during all this period.

the interests of St. Johns in the  
Tri-City League.

On Thursday afternoon last the  
Thorndyke family received a short  
visit from Mr. and Mrs. J. W.  
Vinacke, of Loveland, Colo. The

beauties of Oregon on account of  
rain. Since that time they have

their way home. On Thursday  
afternoon the two families took in
