GAME AT PORTLAND

The St. Johns boys won a well-played game on the Portland diamond Saturday afternoon. The Trunks were their opponents and the game they put up was not slow. Ripley did the twirling for the Apostles while Charlie Moore presided over the second bag. Nine hits were made off Ripley, while St. Johns was accredited with only six. The error column showed four marked against the locals and only two for the Trunks. Brown, who covered third base for the Apostles, carried off the honors by his excellent fielding. The score was 7 to 4 in St. Johns' favor.

ST. JOHNS AT ASTORIA

The local club journeyed to Astoria Sunday with the intention of administering another drubbing to the team supported by the city by the sea, but, sad to relate, the unexpected happened and the club came back very much disappointed. The game should have been ours, because it was well earned. St. Johns made 13 hits to Astoria's 9, and the errors were even—one apiece. It was another instance of thirteen being an unlucky number. Charlie Moore, besides pitching a good game, made four safe hits. It required ten innings to settle the dispute, Astoria winning by a score of 4 to 3.

TRUNKS WIN AT ST. JOHNS.

The Trunks and the Brewers pulled off another of their interesting games at Hill's park Sunday. The attendance is still dwindling and unless an interesting game is soon pulled off at the local grounds all interest in the sport will subside. After nine weary innings had been played it was discovered that the Trunks had won by a score of 6 to 4. Barnhart, the Valisemaker's new pitcher, struck out 15 men.

GROUNDERS.

The Frakes rubbed it into Woodburn Sunday at the grounds of the latter, winning the game by a score of 13 to 5. Woodburn used three pitchers in the vain endeavor to stem the tide.

Groundmaster Hill should invest in a few more ciphers for his score board. His present stock is liable to wear out doing double duty.

The Frakes and the locals will come together at Hill's grounds next Sunday. This will be a hot contest.

Kelso beat the Cubs Sunday by the close score of 11 to 10. Great game.

Best Medicine in the World for Colic and Diarrhoea.

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the twenty-five cent size Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man." For sale by St. Johns Drug Store.

Every Little Helps.

Through assistance of Portland Commercial Club, Mr. J. D. Lee, president of the Oregon Pioneer Association, forwarded photographs of Mrs. Mary Ramsey Lemons Wood, aged 120 years, who was crowned queen of Oregon on the Fourth of July, also of General George H. Williams, who performed the ceremony, to 150 of the leading papers of the United States, accompanied by a story which will call to mind the splendid health-giving qualities of the Oregon climate. The red fires which burned on the summits of Mounts Hood, St. Helens and Adams were plainly visible from Portland.

JUST ABOUT PRINTING

A Few Facts We Want You to Remember.

In our rounds this week we discovered several new business men who were not aware that The Review does job printing. This is a feature we desire to especially emphasize: we do job printing of all kinds and do it well. We are in a position to turn it out promptly and it will compare favorably with work done anywhere. Our type is of the latest design; our presses thoroughly modern and of the latest approved pattern and as for workmanship we take our hat off to no one. Our prices are the same as in Portland. We use the same schedule as adopted by 98 per cent of printing houses of that city. These prices are as low as is compatible with good material and good workmanship.

We want to do all the printing for St. Johns, and believe we are entitled to it so long as we give satisfaction and our prices are right. We do not ask you to bring your printing to us if we cannot meet Portland prices. There are, however, a couple of what is termed by legitimate printers as "rat offices" that cut the rate at times, but there is always something the matter with the work turned out by them. The ink or material is poor and soon fades, the count is short, the press work abominable, proof reading bad or some other defect that always appear when incompetent and poorly paid help do the work. We do not care to compete with offices of this nature.

Now if you have any printing to be done, big or little, let us give you figures on it at least.

The Doctor Away from Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by St. Johns Drug store.

Our Charges.

As is customary, we will charge for card of thanks, 50c; for resolutions of respect, \$1.00; for notices of church or lodge entertainments, suppers, socials, etc., where there are charges for admission, 5c per line, but where there are no charges for these events, we will break the rule and insert them free. We make this announcement so that our good friends may understand our rule in this respect.
