BASE BALL ON SUNDAY

Result of the Contest Played at Hill's Grounds.

Standing of the Tri-City Teams.	Won	Lost	P. C.
Kelso	14	4	.777
Frakes	14	5	.737
Woodburn	15	7	.680
St. Johns	15	7	.680
Astoria	7	12	.368
Brainards	6	15	.285
Trunkmakers	5	15	.250
Brewers	5	16	.238

Without doubt the best game of base ball that has yet been played in the Tri-City league was pulled off at the local grounds Sunday afternoon. The contest was between the strong Frakes team and St. Johns. The game throughout was full of interest, which was kept at a fever heat until the end. For fourteen long innings the two teams battled for supremacy. Good plays and bad plays intermingled with brilliant bits of fielding made the game an intensely exciting one. More enthusiasm was expended than in any two games this year. At the end of the fourteenth round, when it appeared that neither side was likely to score for some time, by mutual agreement the two managers decided to call the game off. The score at this time was 4 and 4, at which notch it had stood since the sixth inning.

The game started off with a rush as far as the Frakes were concerned. Springer, St. Johns' new pitcher, started to do the twirling for the locals, but after three hits and four runs had been made off his delivery, old reliable Charlie Moore decided to take his place. The move was an excellent one, for in the following twelve innings that Charlie pitched not a run was scored off him and only four scattered hits were charged against him. Very seldom has such pitching been seen on any diamond. The Frakes have a batting aggregation that might well cause any pitcher to tremble, but Charlie never weakened. If anything he seemed to get stronger and he shot the balls over with the force and accuracy of a cannon. The one regrettable feature is the fact that Charlie was not in the box at the start, as the game would undoubtedly have been ours. It is quite noticeable that his men have more confidence and play a much better game when he is doing the pitching. As usual Charlie was very much in evidence with the stick, having three hits to his credit, one of which was for two bases.

There were many plays made that are worthy of special mention, but lack of space prevents us from going into details. It was, however, a great game and one which the locals may well feel proud of. We understand that an effort is being made to pull off this game at the Portland grounds on Labor Day. If this occurs a record-breaking crowd will likely be in attendance. "Trilby" Rankin officiated as umpire, and outside of a few kicks made by the batters on balls and strikes, he did well.

DINNER AT DAN'S GRILL

Sunday Menu Should Satisfy Taste of an Epicure.

Sunday is supposed to be a day of rest and recreation. To woman-kind it is very apt to be the most strenuous of the entire week. The Sunday dinner is very often a hard proposition. Last Sunday we gave the little chaperone a vacation by stepping from the office over to Dan's Grill for our Sunday dinner. The genial proprietor, Dan Williamson, met us at the lunch counter, and conducted us back to the grill diner. We are perfectly safe in saying there is nothing finer in Portland or any other city, so far as the menu or service is concerned. There may be more gilt and tinsel, more French plate and mahogany displayed in other high class cafes, but the menu, the silverware, cut glass, snowy linen, esprit du corps among his force of helpers were all perfect; besides one doesn't eat the gilt and mahogany, but that chicken pie, fried chicken, Spanish omelet with mushrooms, crab salad, blackberry cobbler, like grandmother used to make, and the hundred other dishes we could not sample, makes a man hungry just to enumerate. After the usual diet of the newspaper man—hog and hominy, corn pone and bacon for a week, a feed at Dan's Grill is a dream, and you don't want any one to wake you up. A great many of our citizens are taking their Sunday dinner there. The curtained booths give one the privacy of their home with the delicious foods prepared by Mrs. Williamson, one of the best chefs on the coast.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Better than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by St. Johns drug store.

Card of Thanks.

I wish to express my great appreciation and gratitude to the Modern Woodmen of America for their promptness in the settlement of my husband's beneficiary claim. It was hardly 30 days from the date of his death until I was paid in full, which was exceedingly prompt, when it will be remembered that we were absent from our home lodge at the time. Mrs. Emma Weeks.

Whitwood Court lots will be advanced \$25,000 each September 1st. Note what is happening along the St. Johns harbor and get busy.

CASES OF DESTITUTION

In St. Johns that Deserve Immediate Attention.

The best of communities will sometimes overlook destitution in their midst, and are more or less excusable because of their own persistent industry, but there should be ever an eye to the unfortunate even by the most enterprising and industrious. There has been brought to our notice, the second time, the case of Mrs. Anderson, whose husband operated a bakery, when he was sober enough, which was not as frequent as the business demanded. Mrs. Anderson, is in a helpless condition and in a filthy quarters, we are told, and in addition to being attached to a brutal, worthless, drunken husband, has a broken limb and is partially paralyzed. She is evidently a subject for the charity of the county. Another case deserving the attention of our citizens is a family living near Scales Bros.' store, which we have been told are in a destitute condition, for what reason is not known by our informant, but it must be sickness, or what is worse, drunkenness; for where there is such an abundance of work, there can be no other excuse given for abject poverty. These cases should be looked after and removed for they are a disgrace to such a city as St. Johns. If they are deserving, they should be given assistance abundantly, and if they are unworthy, there are places to which the law will assign them, and remove the stigma from St. Johns. Our informant suggested, rightly we think, that there should be a board of charity established here so there might be a definite individual to whom to make reports of this kind. Could not our different church societies get together in a union meeting and accomplish this worthy object.

Greeley's Finger Marks.

Our friend, Carl Nelson, recently handed us a copy of the Greeley (Col) Tribune, an enterprising eight-page, six column newspaper, all home print. This publication has the distinction of having its title head—the Greeley Tribune—in the handwriting of the great journalist, although one would never call the funny marks made by the famous man, "The Greeley Tribune," if they were met alone in the public highway.

HAD AN AWFUL TIME

But Chamberlain's Colic, Cholera & Diarrhoea Remedy Cured Him.

"It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy."—Sam H. Gwin, Concord, Ga. For sale by St. Johns drug store.
