GAS PLANT CONTRACT

St. Johns Gas Company Will Hasten Operations.

S. V. Davidor, of the St. Johns Gas, Heating and Lighting Co., announced yesterday that the company had let the contract for the gas machinery and holder to the Seattle Machinery Co. for \$21,000, to be delivered within three months. Mr. Davidor further announced that gas would be delivered to consumers in St. Johns within 4 1/2 months. Ground for the buildings for the plant will be broken one month in advance of the delivery of the machinery, on the site of the St. John Steel Ship Company, recently purchased by the new company for \$8000. Men are at work in St. John making measurements for the pipe lines of the plant, the intention being to hasten the work of construction in all lines.

Mr. Davidor said that the present financial situation would not interfere with the prosecution of the work of construction with all possible vigor.

"We shall keep faith with the people of St. John," said Mr. Davidor, "build the plant according to our franchise and deliver gas to the people."—Saturday's Oregonian.

More Goosebone Rot.

Long we've waited for November, when the winds are swift and chill, when the first-come snows of winter drift along the window-sill; when the hunter finds pneumonia waiting for him at the lake, and the pies we get resemble those that mother didn't make.

Everybody fond of mince pies dances nimbly, feeling good; now and then an old subscriber comes up with a load of wood. Winter's coming and the bad boys in the schoolroom sing and dance, for the teacher cannot phrase them when they wear their winter pants.

The girl who sued a summer man where cool sea breeze course will keep on suing—in the courts and capture her divorce. The watered railroads will contrive to have a few more wrecks, and the press will print more lists of names with broken backs and necks.

The loving maid will feed her beau on good dyspepsia fudge, the farmer with the smoke house will touch of the hick'ry smudge, the proclamation will come out, and the hired man will put the turkey's head upon the block and amputate his foot.

Hurrah, we'll all sit down to feast within three weeks or so, the rich will have their turkey then however high they go—but most of us will sit around and eat a piece of crow.

And then December will arrive, with wintry winds and raw, the papers will be busy then retrying Harry Thaw; the boys will go to Sunday school a-flying then, because, it won't be very long until they hear from Santa Claus.

Ancient History.

November was the ninth month in the old Roman calendar, and gets its name from novem, meaning nine. The ber, which we would spell burr, was added by Nimrod, the quail hunter. He had an Irish setter with which he hunted in Novem, and the dog got so many burrs on its tail that he called the month November. Like all burrs this one stuck.

November's place in the calendar was changed when Thanksgiving was invented. The Romans debated this in the senate. Some of the senators thought November should continue the ninth month of the year. Turkeys, they pointed out, were large enough to eat, and there was enough to be thankful for by that time in the year to go right ahead with the fireworks and the escalloped oysters. Cicero had been very silent all this time. When the senators who wanted to observe Thanksgiving three months before Christmas had said all they had to say, he arose and disposed of them forever by simply saying: "But cranberries won't be ripe!"—Ganderbone's Ancient History.

Halloween Party.

Mr. and Mrs. Chas. Derric were host and hostess to a party of their friends Halloween eve. The house was appropriately decorated with Jack-o'-lanterns, autumn leaves, ferns and flowers. Miss Muck and Miss Villeneuve dressed as ghost and witch received the guests.

Progressive pedro was the order of the evening. The prizes were won by Mrs. Don Davenport and W. L. Plummer. Don Davenport drew the consolation prize.

The guests were Mr. and Mrs. Chas. Muck, Mr. and Mrs. McKinney, Mr. and Mrs. E. Robinson, Mr. and Mrs. Hewitt, Mr. and Mrs. Don Davenport, Mr. and Mrs. W. L. Plummer.

UNIVERSITY PARK

Mr. Jeffries, the new minister for the Methodist church at University Park, has arrived with his family and taken possession of Mr. Tower's new house.

Mr. and Mrs. Westcott, formerly of Nebraska, but late of North Dakota, have bought Mr. Hinkston's place, known as the Cochran property.

Nate Collamore has been quite ill the past week, but we are glad to hear he is improving.

Mrs. Elizabeth Perry, of Holton, Ore., stopped a few days with her daughter, Mrs. J. Brous, on her way to Molalla to visit a son.

Mr. and Mrs. H. Jessen have moved to Eagle Creek, where Mr. Jessen is employed.

The Ladies Guild of the Congregational church will give a tea at the home of Mrs. DeSpain, on Friday afternoon of this week.

Two St. Johns bound cars were off the track at Portsmouth, Tuesday. We have not learned the cause.

Mr. and Mrs. Godfrey, from Oregon City, are visiting at the home of Mrs. S. McCord.

Rumor is that the Hinkston property on Haven street, is sold to Mr. Leiper, who has taken possession.

We were glad to see the sun Wednesday morning, although we cannot complain of the October weather this year.

Mrs. Connor, sister of Mrs. Collamore, together with her husband who is ill, arrived Wednesday afternoon from Sheridan, Oregon. Mr. Connor is at St. Vincent hospital where we hope he will soon recover.

There are many new houses being built in and around the Park and Portsmouth. Mr. Hollister and Mr. Temple are building houses of concrete blocks. Mrs. Fred Palmer is building a one story house near Mock Station.

I wonder if the Brownies did all the mischief they could on Halloween. Oregon Fern

Football.

The initial game of football between the teams of the Portsmouth and St. Johns grammar schools was pulled off Saturday. The lads from the little neighbor towards town were too heavy for our young athletes and won the game 10 to 20 goose eggs. The lineup was as follows:

Portsmouth	St. Johns
Perry c	Walker
Yost rg	Magoon
Griswold lg	M. Holcomb
E. Murphy rt	Parker
Cole lt	Sutor
T. Murphy re	Emerson
Scott le	Leland
Carlander qb	Jones
Hill rh	Gains
Thornton lh	Crouchley
Goertz fb	B. Poff

Referee, Jas. Brink; timekeeper, C. Gains; linesmen, T. Smith and B. Lee.

The grammar school has some lanky lads and enthusiastic football players and we expect to see the score turn the other way before the season closes. We have not heard when the return game will be played but will look with interest for a report of it. Our lads will get in and drill and there is no doubt will make a good showing.

An Excellent Booster.

We are in receipt of the annual announcement of the Oregon Agricultural college, a most excellently printed and beautifully illustrated booster for that institution. It contains 64 pages filled with information of the workings of that splendid educational institution. Their course of study includes agriculture, forestry, household science, mechanical, electric, mining and civil engineering, literary commerce and pharmacy, and in all these branches they have the fullest equipment of any college in the west. They have selected their corps of instructors, not as is too often the case, by favoritism of the board of regents and their friends, but on their merits alone, and from President Kerr down to the humblest under teacher the aim has been to secure the best for the position occupied, and we predict a most successful school year. The effect of the personality of this body of leaders has already been manifested in the position taken on the subject of hazing by the student body, and it leads us to believe that rowdiness will not be tolerated there; but that serious, real life work will permeate all the workings of the college during the year. We congratulate the faculty and student body upon the felicitous outlook for the future and wish them unbounded success.

A Reliable Remedy for Croup.

LINGERING COLD

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks. My cough was very dry and harsh. The local dealer recommended to me Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial," says J. Urquhart, of Zephyr, Ontario. "One bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." For sale by St. Johns drug store.

The Smith Premier Typewriter

has widened its market until it includes the whole civilized world; has become the typewriter of over 300,000 operators and has, during 1906, broken every previous record of sales, because it has from the beginning best met every typewriter need.

THE tri-color feature of the Smith Premier Typewriter is recognized as the greatest improvement in modern typewriter construction—yet in providing it, none of the strong fundamental features, for which the Smith Premier has always been noted, have been sacrificed. Complete literature on request.
